Fred Was Presented With His Congressional Gold Medal

Our wonderful resident, Fred, was finally awarded the Congressional Gold Medal that he was honored with in November 2019. He was to travel to Washington, D.C., in the summer of 2020 to be presented with it. However, because of the pandemic the presentation was cancelled. He was honored in person with the medal this January 8th, and with Zoom, more than 100 people were able to witness this awesome event. It was amazing. Some 20,000 Chinese-Americans served in World War II and only 300 were awarded and able to accept this Congressional Gold Medal, as of this date.

Christmas and New Year's Eve at the Point

This year, Christmas and New Year's Eve were a little different because of the Covid-19 lockdown situation. We got every resident a beautiful soft blanket for warmth and hugs on Christmas for their present. On New Year's Eve, they were supposed to have a candlelight dinner. We decided they still could do this in their rooms if we helped a little. We had so much fun making personalized battery-operated candles for each resident. Chef David got them sparkling cider bottles for toasting in the New Year. They were all very happy.

Our Edgewood Point Gingerbread Village “Mele Kalikimaka”

We decided that our Gingerbread Village this year should be a Hawaiian-themed village. In January, every year, we do a virtual trip somewhere and this year it is in the Pacific Islands. Therefore we decided to make the village and name it “Mele Kalikimaka,” which means “Merry Christmas” in Hawaiian. We started with eight premade gingerbread houses and decorated them all differently. We then made a campfire, tiki bar, pineapple Christmas tree and two cherry trees. It was so much fun and we had wonderful resident and staff participation.

Gardening

If you can't go outside to garden, you bring the garden to you!

Edgewood Arbor's Water Painting Class (Rainbows)

The residents had a fun time painting rainbows. It brought back memories of seeing rainbows after a rain shower. It was fun, as each resident went one-on-one with Lisa as they painted each color. After each color, they talked about things that were of that color. They ended the painting class by listening and singing along to Julie Garland's "Over the Rainbow."

Cecille showing off her creativeness.

We Will Miss You, Aisha!

We had a surprise baby shower for Aisha today. Many residents will miss her so much. She will be a welcome sight back after her new baby girl will be ready to let her come back to us!

Aisha was so surprised.

What an amazing diaper cake!

Edgewood Arbor Finished Gingerbread House "Holiday Traditions"

Holiday traditions: each gingerbread house was a holiday theme — from Christmas to Easter, etc.

Our Virtual Island Hopping

We have been decorating and getting ready for our virtual Island Hopping Tour of Hawaii, the Fiji Islands and New Zealand. Fun times and photos to come! Stay tuned!
