### Residents' Corner

A true love story in the making for sure, Gene and Dovie Brinson will celebrate 76 years of marriage on February 14th! Raised in Indiana, they met while both were working at Ball Brothers Jar Factory as inspectors. They met on a double date with friends and ended up with each other instead of their dates! Lol! They dated six months and married right

*76 years and counting!*

before Gene was drafted. They settled back in Indiana and raised six children, the first of whom was born the day Gene arrived in China. They now have 15 grandchildren, 24 great-grandchildren and 5 great-great-grandchildren. Their hobbies include bowling and horseback riding and they love to travel. Their favorite stops were Rome, Hawaii and New Zealand. They enjoyed two cruises a year up until about six years ago. The snowbirds retired in Florida and just recently moved from Cypress Springs to Linwood Estates to be closer to family. They love living at Linwood and are already very active in our activity program.

## Funny Love Stories

### Check-Out Romance

"I met my husband while I was working in a science library. He came in every week to read the latest journals and

eventually decided to take out the librarian instead of the books. After a year and a half of dating, he showed up at the library and started rummaging through my desk. I asked what he was looking for, but he didn't answer. Finally he unearthed one of the rubber stamps I used to identify reference books. 'since I couldn't find the right engagement ring,' he said, 'this will have to do,' and he firmly stamped my hand. Across my knuckles, in capital letters, it read NOT FOR CIRCULATION."

### Very Daring

"The lingerie store where my aunt works was crowded with shoppers selecting Valentine's Day gifts for their wives. A young businessman came to the register with a lacy black negligee. My aunt noticed that the next customer, an elderly farmer, was holding a long flannel nightgown and kept glancing at the younger man's sexier choice. When it was his turn, the farmer placed the nightgown on the counter. 'Would you have anything in black flannel?' he asked."

### More Than a Greeting Card

"My friend Mark and I work in a lawnmower parts warehouse. Somehow Mark got the idea that his wife did not want a card on Valentine's Day, but when he spoke to her on the phone he discovered she was expecting one. Not having time to buy a card on his way home, Mark was in a quandary. Then he looked at the lawnmower trade magazines scattered around the office — and got an idea. Using scissors and glue, he created a card with pictures of mowers, next to which he wrote: 'I lawn for you mower and mower each day.' Mark's wife loved it. The card immediately graced their refrigerator door."
