Lois Madsen: A Star in Our Midst

Lois (Ranson) Madsen was born in Los Angeles, California on November 7th and by the time she attended Hollywood High School, she was a seasoned professional in the entertainment industry having mastered, by the age of 16, tap dancing, acting and modeling. In 1939, she appeared in three films and was then signed to Republic Pictures where she appeared in 11 films from 1940 to 1943. In 1941, she was "loaned out" to United Artists for her most popular role, Gretchen, in the Oscar Nominated film, "Cheers for Miss Bishop." She also states this as one of her favorite movies to have made.

Lois celebrates her 99th birthday!

Lois Madsen: A Star in Our Midst (Continued)

Lois is an avid animal lover and at one time was the owner of a famous race horse named, Stagehand. Stagehand was the 1938 Santa Anita Derby winner and then beat the famed Sea Biscuit at the 1938 Santa Anita Handicap. These days, Lois can be seen taking walks around the community or in the Activity Room playing Uno and Yahtzee. She also enjoys spending time with her friends and her dog, Pablo.

This year, Lois celebrated her 99th birthday party here at The Palms. Her friends and family all came to show their love of this talented and wonderful lady.

Man Cave Monday

Sorry, ladies, this one is for the men (unless of course there is space available, but the fellas get first right of refusal). Twice a month, our guys get together for an afternoon of fun. This activity takes place in our TV Room. The fellas pick a film (or a sporting event) that appeals to them, we serve a non-alcoholic craft beer and/or soda, a sweet treat and a comfort food like wings, pizza, fries, etc. We held our first two Man Cave Mondays in December and they were a HIT! If you're interested in joining the Man Cave, see John in the Activity Room for dates and availability.

Jim enjoys his O'Doul's.

It was chicken wings for Ray!

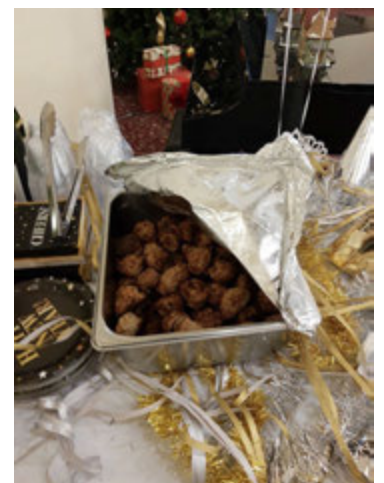

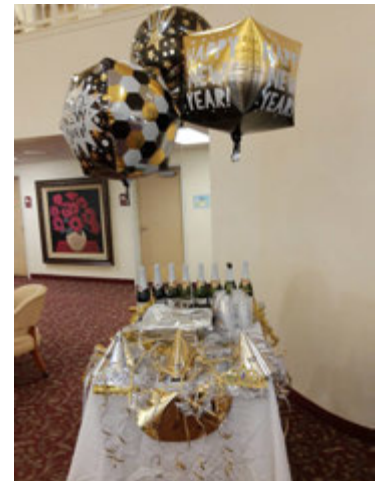

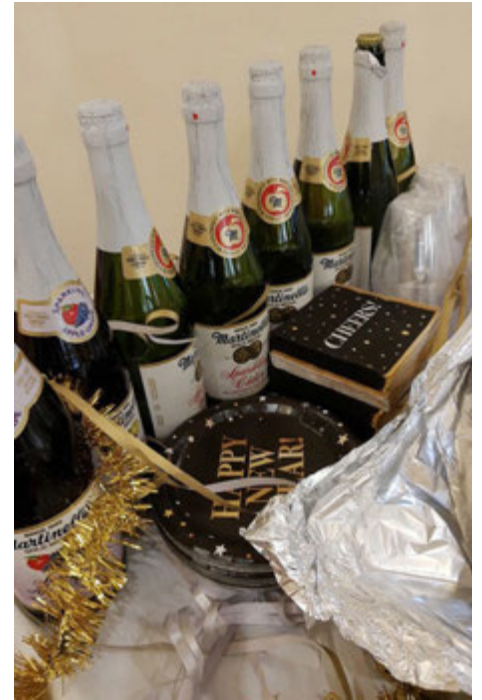

The guys had a great time.

This week we watched the film "Men of Honor."

Happy New Year!

Happy New Year! What do you do when you can't throw a big New Year's Eve Bash? You put the party on a cart and take it door-to-door! Everything was included — balloons, music, party hats and noise makers, food and sparkling cider. Each resident gave a New Year's toast and wished for a healthy, happy 2021.

Happy Holidays From The Palms!

The holiday season is about celebrating, and that is something we love to do at The Palms. We dressed up in our very best ugly Christmas sweaters and filled stockings with goodies for everyone in the community, including our local fire department. We went Christmas caroling door-to-door and handed out candy canes, and then dressed up a kitchen cart like a Christmas parade float and delivered a special gift to each one of our wonderful residents. We truly hope everyone had a great holiday and a Happy New Year!

Ava acted as Santa's helper and filled the stockings for our local firefighters.

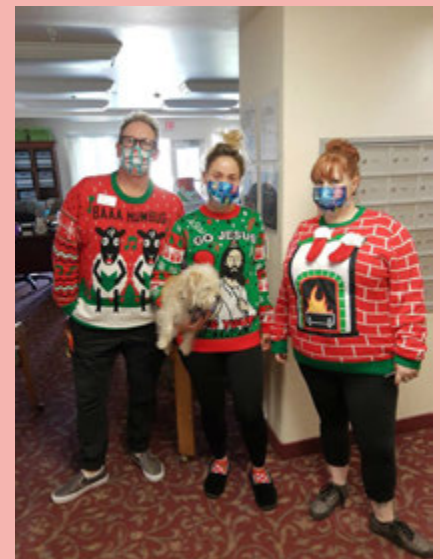

Mary, Laura and John ready to share some holiday love with the residents

Diana and Loretta helped light the menorah for Hanukkah.

Debra and John break into song as they deliver gifts door-to-door!

John, Heather and Laura show off their ugly Christmas sweaters.

Our Administrator, Brandy, gets into the holiday spirit.

Debra and Mary pose with the Christmas Cart before it takes off to deliver gifts to the residents.

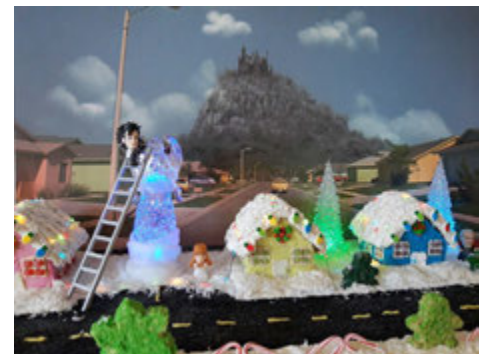

Stockings filled with goodies were given to our local fire department.

Gingerbread House Contest

Every Christmas, Hawthorn Senior Living holds a gingerbread house contest across all their Senior Living Communities. This exciting activity kicks off the holiday festivities and inspires the residents' creativity. This year we chose to model our gingerbread village on a beautiful scene from the Tim Burton Christmas fantasy film, "Edward Scissorhands." Each resident who signed up to work on the project had a screening of the film so they had an understanding of the scene they were creating. One on one with the Activity Coordinator, they frosted and decorated the gingerbread houses to colorful perfection. Everyone involved had a fantastic time! Here are several pictures of the "Edward Scissorhands Christmas Neighborhood" from start to finish.
