## Congratulations Erika Gonzales! You are our Employee of the Month!

Erika has been with Lakeview Terrace since August of 2019. She works overnights, so many of us do not get the opportunity to see her. Erika is receiving the distinction of Employee of the Month because she consistently demonstrates how much she cares by pitching in whenever there is a need. When Erika is not at work, she spends time traveling with her family. New York and New Orleans are two of her favorite Cities. She loves to bake zucchini bread and layer cakes. Erika also loves to read and enjoys a good ghost story. Please congratulate Erika on her distinction as this month's Employee of the Month!

### Letter from the Administrator

By the time you read this, most of us will have received our second dose of the Covid-19 Vaccine. We have been told that 2 weeks after we receive the 2nd dose of the Covid-19 vaccine, the effective rate is at 95%. The next round for the vaccine will be on 2/21/21. We hope we can get back to a little more normalcy in our lives. I can't wait for that to happen! I thank everyone again for keeping our community safe and free of Covid-19. It has taken a lot from all of us and we are almost there.

What are you excited about once our restrictions are lifted? I can't wait to see our live entertainment again. I want to see the bus back out in the community with our shoppers shopping and going to lunch together. That will be amazing!

Who do you hope wins the Super Bowl? I hear there is going to be plenty of wages going on in the Vegas sports books. My money is on the Kansas City Chiefs. My Bears didn't do well this year at all, very depressing again.

Be sure to come and join Karen for Valentine activities and more fun events she is planning. Pay attention to the calendar so you don't miss out on any of the fun.  
Warm Regards,  
Mary Rush
