

Rhino

sayrhino.com

**Rhino gives renters
a more affordable way
to satisfy their upfront
deposit requirement**

Your money moves with you

4 simple steps to move in faster

- 1 **Ask your property** about Rhino when you apply to move in. They'll invite you to sign up directly via email. Signing up for Rhino takes less than a minute.
- 2 **Start your application** and answer a few questions that'll help us provide you with a personalized Rhino price.
- 3 **Finish signing up** and pay for your first month of Rhino protection. When you submit your first payment, you'll activate your Rhino policy and successfully satisfy your deposit requirement.
- 4 **You're ready to move in!** We'll let your property know that you've satisfied your deposit requirement. Similar to a traditional cash deposit, you're still responsible for excessive damage and unpaid rent.

Ask your leasing office about how you can learn more about Rhino
