

Wood Ridge named Best of Senior Living 2021!

We're proud to announce we've been honored as a [SeniorAdvisor.com](#) 2021 Best of Senior Living award winner by [A Place for Mom](#)! This year has been tough for so many and **Wood Ridge Assisted Living** has shown its resilience in the face of this challenge. Top reviews from our residents and their families showcase outstanding care provided by our staff to keep our seniors feeling safe, healthy, and happy. This exclusive designation honors only the top 3% of senior care providers across the United States and Canada so we are thrilled to be on this list.
