At Arlington Place....

Mrs Ron Gruber stopped by and handed us the valentines that Lincoln Center Church made for all the friends here at Arlington Place. We thank you for remembering us at this time.

We are now allowing visits indoors. You will need to call for an appointment and the visits are 30 minutes long. You will need to wear a mask and get screened before you are allowed in the building. Happy visits!!

Good byes were said to Alana this past month. She is moving down to Des Moines to do her internship. She will be missed greatly.

Valentines Day Party

Fat Tuesday

Just a gentle reminder that a 24 hour notice is appreciated for transportation needs. This allows for staff planning.

Also, when your loved one is celebrating a birthday, please call the kitchen to make arrangements for birthday treats.

Please do not use extension cords in your rooms. Everything is to be plugged into the outlet directly, unless it is your cell phone or your computer, which can be plugged into a metal power strip.

If you have a concern or question, please call Kaylene Hoskins, Manager. If it is a general reminder about an appointment etc., please call the community phone. Resident Assistants are not to receive text messages or calls on their personal phones. Thanks

We are asking for all those that have an email address to please let us know so we can email you pictures, and other information as needed. You can either email Kaylene at managergc@arlingtonplaceretirement.com or Karen at lifenrichmentgc@arlingtonplaceretirement.com Thank you!

The time has come for me to say good-bye. I have prayed about this decision for some time, and so with a heavy heart I have decided to move on. I have truly enjoyed my time here. I have learned so much from so many of my new friends here at Arlington Place. I pray that God will continue to bless this community and the friends who reside here.

I am walking out of my comfort zone and am leaving the healthcare field. I will be moving on to Fareway, in Iowa Falls. Fareway, is a whole new adventure for me and I will have to learn new things. But I am excited to see what all the Lord will put in my path. Maybe once the weather turns nice you all will feel like a ride and come and see me there. (There is a Dairy Queen right next door!!)

Thanks again for all the wonderful memories and all the laughs. I will be back to visit and to play cards with all those competitive Ladies.

With Love Karen Boyer

Katelyn and Brecken, came to visit all of us for a little while. Do you know how hard it was on all these Grandma's and Grandpa's to not touch the baby? They asked all kinds of questions and it was fun to ohh and aww over Brecken. Of course it was really nice to see Katelyn also.
