## Birthday Celebrations!

The Glenwood Place bus made a special delivery to Brock's home on his birthday. His Grandma and Grandpa came along for the ride. Visiting Brock brightened our day!

### Pamela's Post

This month I am celebrating my 10-year anniversary with Glenwood Place! What a journey. When I started here, I only weighed 110 and now....:( I think of all the wonderful families that have joined our Glenwood Place family, so many wonderful residents and families we have met and loved over the years. With this comes the heartache of losing so many along the way, but my life is richer because of each one of you. We have celebrated so many

## Meet our New Resident Beverly Tuttle

Beverly was born in Radcliffe, IA to her parents, Judith and Irvin. She remembers growing up in a happy home with her brother, Charles. They had chores before and after school on the farm. Beverly loved school; math and reading were her favorite subjects. For extracurriculars, she enjoyed band, glee club and chorus. Beverly met her husband, Lyle Tuttle, through mutual friends. They were married in a small, country church and soon after began welcoming babies; 6 sons to be exact. The boys: David, Gene, Bruce, Jeff, Eric and Matt kept her busy! The family enjoyed hundreds of little league games and spent summers camping. From her boys, Beverly welcomed 10 grandchildren and 4 great grandchildren! Beverly enjoys bible study and Christian music. Welcome Beverly to Glenwood Place!

## Ash Wednesday

Residents received ashes the covid-friendly way, with a sprinkle on top of their head verses the traditional smudge on the forehead.

## A Message from Brooke

March is one of my favorite month's of the year! So many good things on the horizon. Warmer weather, the Easter season, St. Patrick's Day (corned beef, yum!), my birthday (highest importance) and longer days as we Spring forward during daylight savings. This winter has been extra long, with the polar vortex and what felt like a snow storm every other day, I am going to be just fine with the muddy, slushy streets for awhile as the snow starts to melt away and signs of Spring being to appear. Cross your fingers for warmer weather on March 19th, as we will be hosting an Open House event for our vacant townhomes. A great opportunity to showcase our beautiful, large townhomes. The only ones like it in Marshalltown! If you know of friends or family that would benefit from our townhome lifestyle, please reach out to them and let them know of our event! If they RSVP, I will have a take-n-bake pizza waiting for them after their tour. And remember, if you refer a friend and they move in, you will receive \$1000 off your rent 30 days after their move-in date. Stay well, and welcome Spring!

## 2021 King & Queen of Glenwood Place

Congratulations to Dean and Mary Baker, who were crowned King and Queen of Glenwood Place during the annual Valentine's Day luncheon. The residents vote for the king and queen each year. Videos of our crowning can be found on the Glenwood Place Facebook page.

## Congratulations to...

A table-less Jan works hard on her puzzle. The girls upstairs made a good joke out of us needing to borrow their puzzle table. No table, no problem.
