Maximize Your Space

Looking for ways to maximize your space? Check out these pieces of furniture that will help you get the most of your apartment's square footage.

[Ikea MALM Storage Bed](#)

Instead of storing your stuff under the bed, store it directly in the bed.

[Sofa Mobile End Table](#)

If you don't have room for a coffee table or desk, this end table slides into the side of your couch, or pull it in front of you for a great laptop desk.

[Four-Tier Ladder Shelf](#)

Make use of vertical space with a ladder shelf for storage, a display shelf or bookshelf. Or use a [blanket/towel ladder](#) to use your wall space to hang extras.

[Slim Storage Cart](#)

Have a few inches of space in your laundry closet or kitchen? This storage cart can help you expand that storage upward.

Your Favorite Places

We recently asked you to share your favorite local businesses and will be publishing your thoughts over the next several weeks. Supporting local businesses is important to us, especially during these times. [Please fill out this short form](#) to tell us about what businesses you would recommend to your fellow residents, which we will highlight in an upcoming newsletter.

[Boozetique & E3 Modern](#)

315 E Broadway, Salt Lake

We love finding unique local gems and Boozetique/E3 Modern fits the bill. As their name suggests, they cater to mixology and barware products, but they also sell chocolates, party supplies, syrups for sodas, new and vintage glassware, vinyl records, funk pops and distinctive household art and furniture. Our Liberty Blvd. resident says that "she stocks an amazing assortment of bitters, mixers, bar tools, and glassware. The owner is incredibly kind (she even drove me home once when Lyft was taking forever) and supports local brands." Tell them Cowboy Properties sent you and get 10% off your purchase!

Thanks to all that participated in our recent air fryer giveaway and congratulations to our winner from Liberty Center. Look for more giveaways in future editions of the newsletter!
