Resident Highlight

Our March Resident Highlight is Edi and Pete Agur. By Edi Agur:

Pete flew 22 years in the Navy, first as a small sea plane pilot then on to the largest Navy seaplane ever invented. After 22 years and retiring from the Navy, United Airlines hired him for another 20 years of flying. Pete's next adventure came as he cross-countried to visit his children on the east coast. During a stop at Organ Pipe Cactus National Monument in Arizona, Pete met Edi in the visitor center. They have hiked many trails together ever since. Now, being married 35 years, their hiking includes walkers and at times, a wheelchair. Edi had no career but a variety of jobs, from banks, state fairs and even a couple of years driving a city bus in Boulder, Colorado, before moving to Arizona, the best move.

Edi and Pete

Pete had four children, and Edi had one. Edi states they have lost count of how many grandchildren, "but there are many!"

We have had the pleasure of having Pete and Edi Agur at Dessert Springs for over eight years!

Hawthorn Adventures 2021

All aboard the Hawthorn Express 2021!

Our Hawthorn adventure started January 18th through 22nd in a Hawaiian Paradise as we island hopped! January 25th through 29th, we cast our anchors for Fiji, and last but not least, February 1st through 5th, we ended our tour relaxing in the beauty of New Zealand!

Each place brought a new adventure! In Hawaii, we baked papaya rolls, savored delicious delights Hawaiian style by our Chef, played trivia games, did Seaside art and tried mocktails. The residents ended their Hawaiian adventure at the Tiki bar, enjoying music and visiting with their neighbors! Fiji brought trivia games, tropical music exercise with mango smoothies, Fiji art and mocktails, learning the benefits of coconut, baking Fiji delights and relaxing at a social hour with tropical drinks and harp music by Carolyn Ancell. New Zealand was relaxing in the beauty of New Zealand! This week was about chilling. The residents escaped to calm music exercise, New Zealand travelogues, movies filmed in New Zealand. Fiji trivia, hand spas and aromatherapy class. The week ended with our Red Hat Social with jazzy piano music by Amy Barker.

Guess Who?

Were you able to guess our February beauty? Right again! Trish Pagel (Shomber)! Who is our March "Guess Who?"

March Guess Who? Both pictures are the same person.

Can you guess who this beauty is?

13 Lucky Facts About St. Patrick's Day

1. We Should Really Be Wearing Blue on St. Patrick's Day.

We've come to associate Kelly green with the Irish and the holiday, but the 5th-century saint's official color was "Saint Patrick's blue." The color green was linked to the Irish independence movement in the late 18th century.

2. St. Patrick Wasn't Irish.

Patrick wasn't Irish himself. He was born to Roman parents in Scotland or Wales in the late 4th century.

3. St. Patrick's Day Used to Be a Dry Holiday.

St. Patrick's Day is a national holiday in both Ireland and Northern Ireland.

4. New York City's St. Patrick's Day Parade Has Been Happening Since 1762. New York City's St. Patrick's Day Parade is one of the world's largest parades. Since 1762, roughly 250,000 marchers have traipsed up 5th Avenue on foot.

5. Chicago Literally Runs Green for St. Patrick's Day.

Every year, the Chicago River is dyed green for the holiday.

Chicago has been celebrating St. Patrick by dumping green dye into the Chicago River since 1962. The organizers won't reveal their exact formula, but we do know the orange powder used is dispersed through flour sifters by the local Plumbers Union.

6. For Some St. Patrick's Day Parades, It's the Thought that Counts.

From 1999 to 2007, the Irish village of Dripsey proudly touted that it

Book Club News

By Kay Gragg

Due to our concerns about Covid-19, we did not meet in January. Hopefully, we will meet in February. The book I described for February in the previous Desert Spring magazine will now be discussed in our meeting Saturday, March 20, 2021. "House of Sand and Fog" by Andre Dubus III is a story of a battle for a house that overlooks the ocean. Due to a misunderstanding about back taxes, Kathy Nicolo has her California coast house taken away from her. The property is purchased at auction by Iranian immigrant Massoud Amir Behrani

Kay Gragg

who intends to fix it up and sell it for a profit to provide a better life for his wife and son. However, Kathy, desperate to get the house back, begins to harass Behrani so he will return it.

Due to Covid-19, time and place will be decided later. If you have not attended Book Club before and want to, please contact Kay Gragg at (520) 544-2545 for more information.

hosted the Shortest Saint Patrick's Day Parade in the World. The route ran for 26 yards between two pubs.

7. There's a Reason for the Shamrocks.

How did the shamrock become associated with St. Patrick? According to Irish legend, the saint used the three-leafed plant (which is not to be confused with the four-leaf clover).

8. Cold Weather Helped St. Patrick's Claim to Fame.

In Irish lore, St. Patrick gets credit for driving all the snakes out of Ireland. According to the fossil record, Ireland has never been home to any snakes. Through the Ice Age, Ireland was too cold to host any reptiles, and the surrounding seas have staved off serpentine invaders ever since.

9. There's No Corn in that Beef.

Corned beef and cabbage, which has become a St. Patrick's Day staple for Irish Americans, doesn't have anything to do with the grain corn. Instead, it's a nod to the large grains of salt that were historically used to cure meats, which were also known as "corns."

10. Americans Run Up Quite a Bar Tab on St. Patrick's Day. It's estimated that 13 million pints of Guinness will be consumed worldwide on St. Patrick's Day, and in America, overall beer sales will be up 174 percent. In fact, it's the biggest day for bars in the country.

11. It Could Have Been St. Maewyn's Day.

According to Irish legend, St. Patrick wasn't originally called Patrick. His birth name was Maewyn Succat, but he changed it to Patricius after becoming a priest.

12. There Are No Female Leprechauns.

Valentine's Day Music with Jazz Vocalist Rene Taylor

Valentine's Day would not be Valentine's Day without good music at Desert Springs. This year, we celebrated this special occasion with Jazz vocalist Rene Taylor. I would like to share with you a little about Rene's music history.

Rene Taylor is a true Arizona

Rene Taylor

treasure. She has captivated audiences locally, as well as nationally and internationally. She has performed in a variety of venues ranging from concert settings, headlining at galas, enamoring audiences on cruise ships to charming private party-goers. In her 20-plus years of performing, she has been referred to as a "truly gifted artist with a soulful rich and smoky voice which captures the heart."

Rene's voice has a magical combination of rhythmic poise and immaculate phrasing. Rene's love for jazz started at an early age while listening to Julie London, Peggy Lee, Rosemary Clooney and Ella Fitzgerald. Rene has a wide range of jazz standard song selections which will transport you back in time and provide you with a memorable experience that will leave you with a desire to hear more.
