We will review the information provided and may request additional information to ensure we are interacting with the correct Consumer. If you have a password-protected online account with us, you may be required to log-in to your account for identity verification. If you do not have an account with us, additional information to verify your identity may be required by law before we may take action upon such a request. This additional information may vary depending on the nature of your request and/or the nature of the information about which your request relates. In some cases, we may also be required by law to obtain a signed declaration under penalty of perjury from you that you are the subject of the request being made. If we suspect fraudulent or malicious activity on or from your account, we will delay taking action on your request until we can appropriately verify your identity and the request as authentic.

After submitting your request online, you will receive a follow-up email outlining the estimated amount of time it will take to complete your request and giving further instructions. That email may also include a link you must click on in order to verify your identity. If you do not click on that link, we will be unable to complete your request due to lack of verification. It is important that you provide a valid email address in order for us to be able to process your request.

By law, we are not required to collect Personal Information that we otherwise would not collect in the ordinary course of our business, retain Personal Information for longer than we would otherwise retain such information in the ordinary course of our business, or reidentify or otherwise link information that is not maintained in a manner that would be considered Personal Information. - The risk of harm to the Consumer posed by any unauthorized access or deletion;
- The likelihood that fraudulent or malicious actors would seek the Personal Information;
- Whether the Personal Information to be provided by the Consumer to verify their identity is sufficiently robust to protect against fraudulent requests or being spoofed or fabricated;
- The manner in which we interact with the Consumer;
- Available technology for verification; and
- Other factors that may be reasonable in the circumstances, are consistent with industry practice, are recommended by California government officials, or which may be required by law or regulation following the effective date of this CCPA Privacy Notice.

If your request is regarding household information, the same verification steps above may be required before we can provide you with aggregate household information. In addition, if you do not have a password-protected online account with us, for us to process a request for access to or deletion of specific pieces of information regarding your household, we may need all members of the household to make the request, and we may need to individually verify each household member and that each member making the request is currently a member of the house.

We reserve the right to charge a reasonable fee or take other appropriate action in response to requests from a Consumer or household that are manifestly unfounded or excessive, in particular because of their repetitive character.

Authorized Agent Requests

You may designate an authorized agent to make a request on your behalf pursuant to applicable law. We accept documentation of your designation in the form of a valid power of attorney and/or a written authorization signed by you and the authorized agent. You may submit evidence of your designation of an authorized agent in writing to: 777 S California Ave, Palo Alto, CA 94304, United States.
