Thursday, April 1st, will be bittersweet as we say goodbye to Mr. Ben. Though we've only had him for 2 short years, we've all come to respect and admire him as though he's been with us for ages. Actually, last year counts as ages! And he pulled us through it! For that and his tireless patience and leadership through such uncertain times, we thank him for all he has done for us and we all wish him the very best! We have enjoyed his time here and getting to know him and I would like to suggest that we all take a minute out of our day during the next week to stop by and say goodbye and say Thank You!

With Your Mask On! LOL

Ben,
From all of us, to you
