

# Cove Connection

april 2021

We're putting our  
eggs in the Cove basket.

With SPRING upon us, Arcadian Residents are looking forward to getting outside and enjoying some good ol' SUNSHINE! This month, we're looking forward to resuming some church services, movie nights in the theater, EXERCISE, gardening club, and walking outside in our park! Life has been crazy this past year, and we're truly excited to be returning to a more normal phase in our community. To see what else we're up to in April, check out our Activity Calendar on:

### April Birthdays

Ms. Julie, Resident .....April 8th

Ms. Pat, Resident .....April 8th

Ms. Loretta, Resident.....April 10th

Ms. Betty, Resident .....April 18th

Mr. Richard, Resident .....April 30th

### April Anniversaries

Ms. Nora, Resident.....April 20th

Ms. Tausha, Health Care Coordinator.....April 25th

This time last year, we were just learning how to navigate a COVID World. On March 24th, our weekend warrior, Ms. Sue Rhodus, sent me these pictures that popped up in her 'memories' from her phone's camera. Today we're one day closer to Making it!! ~Cris Sexton

## Be On The Lookout!

We're planning an AMAZING drive-through event scheduled to take place in Early May! You will NOT want to miss this....there will be lots of interesting things to see, prizes, and our FAVORITE THING...FOOD!

Make Sure to "LKE" our Facebook Page to keep up with all that's going on at the Cove!

# GIVE Back

Arcadian Cove retirement community believes we are all in this together! That is why we are committed to giving back to our community this year through our **2021 Year of Giving** program. As our residents are getting their second round of vaccinations, we are slowly starting to return to a new normal way of life. We've decided it's the perfect time to celebrate the rebirth of Spring and the renewal of old and new friendships.

This month, through our **2021 Year of Giving** program, we'll be honoring our religious organizations. Any new resident referred by someone in your congregation to live in our community will receive \$1000 to help pay for their moving costs. Also, \$1000 will be donated to your religious organization for special projects you may have had to defer over the past year.

Please have your congregants contact our community relations director to learn how they can participate.
