Visiting Policy

Indoor Visiting Policy

Effective immediately, resident visits may be permitted under these guidelines, subject to change due to local COVID percentages:

With the change in weather, we are entering a new phase of our protocol that will allow for indoor visits of loved ones. In an effort to continue to make Garnett Place a safe space for all residents and employees, testing of COVID or proof of vaccination will be utilized before room visits. This is only available if the COVID percentage for the county is low. Otherwise we will be doing indoor window visits.

Visits must be scheduled and in a designated area to limit cross contamination or in residents' room. Please allow for disinfection between visits and ensure each resident has equal opportunity to meet with loved ones.

As a reminder, despite our best efforts, visits may need to be suspended or delayed based on the county positivity rate and any active cases of COVID-19 within the Community. Whether you choose to test or not, personal protective equipment is still mandatory during a visit and a pre-visit symptom screen and questionnaire will be conducted.

Garnett Place appreciates your understanding as we continue to navigate the best courses of action during this pandemic. Please do not hesitate to reach out to us with any questions and we look forward to many happy reunions in the weeks and months to come.

Monday - Friday: 9am - 4pm
Saturday & Sunday: 10:30am - 1pm

Please note that weekend times will fill up quickly. If you are interested in visiting on the weekends please schedule early.

It is our goal to provide you much needed time with your loved ones while keeping everyone safe and healthy.

If any of the above policies are violated we reserve the right to end the visit early. We also reserve the right to change or cancel visits as we track COVID trends in our area.

Coordinator Greetings

Welcome to April

Welcome to April everyone! We should be having the warmer spring weather we all love soon and that means we can have outside visits in addition to our other forms of visiting. I want to remind everyone that we are allowing in apartment visits for your loved ones, but we do request that the visits are scheduled ahead of time to ensure we have enough COVID tests available for the visitors, especially on the weekend. I look forward to the seeing all of your families and being able to finally meet them as we continue to open in the community!

Welcome to Our New Residents

Hello Residents!
I can't believe how quickly April has arrived. We are very excited to be welcoming several new faces to our community over the next few weeks. With only a few apartments still open, we are asking for help from each of you. Right now, you can receive **an entire month's rent for free** if you refer someone to Garnett Place who moves in! Just make sure they mention your name when they contact me. Come see me directly if you would like one of my business cards to hand out, or if you have any questions about this process. Here's to another month of family visits and warmer weather!

Upcoming Projects

It is hard to believe that we are already starting the 4th month of 2021. Hopefully any last remnants of winter will soon be gone. Towards the end of this month, we should also be starting the replacement of windows that were damaged in the August 2020 derecho as well as getting new siding on the 208 building. Flooring replacement and painting will also be continuing in the 202 building and remodel of the 208 second floor will be ongoing. If you have any concerns about any of the projects that are going on around the building, please feel free to let me know.

Maintenance Coordinator

Grilling Time in the Kitchen

Hello Garnett Place we are heading into April. With the weather getting nicer I hope to get out and start using the grill some, so if there are any grilled items that you would like to see, let me know and I will start adding some stuff for May. I feel like I'm getting the hang of the new food company. Please let me know if you have any questions about the food & menus. The kids just got off spring break and were not happy to go back to school. I took the week off to spend the week with them. We didn't get to do much with the weather being colder, but we did get to Des Moines for the weekend. I hope you all have a great April and will see you around.
