

Campus COVID-19 Vaccine Clinics

Clinic Scheduling

- Campus clinics will be scheduled each month through our partnership with our ancillary pharmacy company, PCA Pharmacy.
- Clinics are subject to change based on vaccine availability from state/federal programs.
- Clinic dates may vary due to volume of doses needed at each campus to reduce waste.

Types of Vaccines at Clinics

- The type of vaccine provided will be dependent upon supplies that are received from state/federal programs.

Vaccine Recipient Qualifications

- Vaccines will be offered to *any campus resident or employee.*
