Lawton Senior Living News

Life Enrichment activities and what's happening:

We had are first ever Easter Egg Hunt on Saturday, April 3rd. It was fun for all. We had 15 grandchildren of the residents and it was so fun to watch the little ones run to get the eggs. The residents were able to be outside in the lovely warm weather to get a closer look at the little ones. The most famous Easter Bunny came to see the kids and the residents. It was a great time and we will be having another one next year. We're hoping not Covid style though.

It was a Great Event! Thank you all for a wonderful day!

Welcome Paul Yaneff– Culinary Director

Paul Yaneff , Attended Culinary school at Indiana University Of Pennsylvania's Academy of Culinary Arts, located in Punxsutawney, Pa.

Paul is originally from Sioux City ,IA but recently moved to Lawton with his family.

Paul is married with 2 small boys that keep him very busy. In his free time he likes to do woodworking, Golf , and camping with his family!

***Every Monday and Friday the residents enjoy playing Bingo!
We are waiting and getting out between the windy days and raining days here in Lawton to get out and enjoy the nice weather to walk and drink our coffee outside !
Lawton Residents are enjoying the days that they get to visit with there families. They say it is not normal yet but getting closer!***

Living in the Covid19 World:

Our community has been full and hope and waiting to be able to do some exciting things as the Covid19 restriction have decreased with the increase in vaccination and lower propitiative rates within the county. Beginning March 26th we began in apartment visits for residents and family members that have been vaccinated. Without proof of vaccination and rapid testing, family members still have to visit in the provided spaces for indoor visits. In both cases we still request a call ahead to schedule the visits. Masks are still required as well as physically distancing of 6' and taking of temps and oxygen levels upon entry. Everyone is happy to be able to see each other and get to back together during this time. Keep your spirits up and hang in there! WE WILL GET THROUGH THIS TOGETHER!!

New Healthcare Coordinator/Nurse:

Charity Gebel of Merville started with Lawton Senior Living last week, April 7th. Charity has had experience as a nurse with Octapharma in Sioux City, Countryside Health Care Center, Sioux City and has done Home Health Care. She is a graduate of St. Luke's

College of nursing where she graduated with her Registered Nursing degree.

Charity also has advanced wound care training. She has been a life long resident of Woodbury County. We welcome Charity to our Lawton Senior Living Family.
