SENIOR LIVING

April 25, 2021

*"The closest thing to being cared for is to care for someone else." — Carson McCullen*

We've been having a lot of fun here at RiverView Ridge. Things are really picking up and won't be slowing down any time soon. Feeling grateful is an understatement. We're so blessed to be able to have this wonderful facility, tenants, and staff.

This month, we've been many places. Some of them include Casey's Bakery, Rooted Plant and Coffee Shop, and JJ's Drive In. The residents really seem to enjoy going on these outings. When we're not going places, we're busy doing things like playing pool, cards, dominos, listening to piano, doing crafts and exercising.

Soon we'll be planting our flower pots and garden, setting out bird houses, and sitting on our patio. Summer is just around the corner and we're so ready for the warm weather to come! Please feel free to stop by and enjoy these things with us. You're always welcome!

### Nurse's Notes:

*It seems that Covid-19 is slowly but surely becoming a thing of the past. This is great! A lot of the staff and residents have both doses of the vaccine. We also continue to do daily screenings to be safe. Hopefully we can soon get to a totally "normal" setting.*

We've completed two tie-blankets so far this month here at RiverView Ridge. They're so much fun to make and turn out so nice!
