## ARBOR GLEN *exemplifies community*

We are dedicated to providing an innovative, comfortable and compassionate environment for our residents and their extended families. Friends (both old and new) will join together at weekly happy hour, monthly birthday parties, musical performances and other get-togethers.

We support your well-being through our continuum of independence, allowing you to add personal and health services as needed. Arbor Glen features a variety of apartment floor plans—studio, one- and two-bedroom styles.

**Senior Living** ~ A variety of floor plans and amenities. No more shoveling snow, mowing the lawn, or writing out all those utility checks—Arbor Glen takes care of it all. The secured entrance provides peace of mind.

**Assisted Living** ~ A full array of assisted living services can come to any apartment, so there is no need to move should you need extra help. Services include round-the-clock staffing by caring professionals, health monitoring, and individually tailored

health and personal care. On-site visits by geriatric physicians and nurse practitioners are also available.

**Memory Care** ~ Private apartments with private baths, surrounded by an outdoor garden courtyard, specially designed for those with Alzheimer's and other forms of memory loss.
