Your Favorite Places

We recently asked you to share your favorite local businesses and will be publishing your thoughts over the next several weeks. Supporting local businesses is important to us, especially during these times.

[Mark of the Beastro](#)

666 South State St.
Salt Lake City

Playing off the street address and local [famous gravestone](#) with the same number, Mark of the Beastro is a devilishly-themed vegan diner. Our resident says they have "amazing diner food!" While many vegan restaurants are known for their health food, the Beastro serve up comfort foods of burgers (no-beef patties), vegan fried chicken sandwiches, fried soy wings and 'mockzarella' sticks made of fried palm hearts. Breakfast is served all day and includes chick'n and waffles, garbage hash and a tofu benedict. If you'd still like a salad, try the giant The Beast house fried chicken cobb salad. They partner with The Beehive next door for live concerts and entertainment. Mark of the Beastro is offering takeout only at this time.
