Mother's Day Poem

Dear Mom,
I will love you forever;
And forever you will be
The most wonderful mother,
You mean everything to me.

I thought of buying you flowers
In the usual way,
But I knew you would prefer
A FOREVER bouquet!

May Day

May Day, also called **Workers' Day** or **International Workers' Day**, day commemorating the historic struggles and gains made by workers and the labor movement, observed in many countries on May 1. In the United States and Canada a similar observance, known as **Labor Day**, occurs on the first Monday of September. May Day is celebrated on Saturday, May 1, 2021.

In 1889 an international federation of socialist groups and trade unions designated May 1 as a day in support of workers, in commemoration of the [Haymarket Riot](#) in [Chicago](#) (1886). Five years later, U.S. Pres. [Grover Cleveland](#), uneasy with the socialist origins of Workers' Day, signed legislation to make Labor Day—already held in some states on the first Monday of September—the official U.S. [holiday](#) in honor of workers. Canada followed suit not long afterward.

Cinco de Mayo

Cinco de Mayo, (Spanish: “Fifth of May”) also called **Anniversary of the Battle of Puebla**, holiday celebrated in parts of Mexico and the United States in honor of a military victory in 1862 over the French forces of Napoleon III. Cinco de Mayo is celebrated on Wednesday, May 5, 2021.

When in 1861 Mexico declared a temporary moratorium on the repayment of foreign debts, English, Spanish, and French troops invaded the country. By April 1862 the English and Spanish had withdrawn, but the French, with the support of wealthy landowners, remained in an attempt to establish a monarchy under Maximilian of Austria and to curb U.S. power in North America. On May 5, 1862, a poorly equipped mestizo and Zapotec force under the command of General Ignacio Zaragoza defeated French troops at the Battle of Puebla, southeast of Mexico City; about 1,000 French troops were killed. Although the fighting continued and the French were not driven out for another five years, the victory at Puebla became a symbol of Mexican resistance to foreign domination.
