## Letter from the Activity Coordinator

Hello everyone! My greatest joy is to see you out enjoying our activities Lakeview Terrace puts together for you. Participation is the key! Join us and discover what the activities are all about. You may find something you really enjoy and want to get involved in. You may make a new friend. Remember the song, "make new friends and keep the old. Some are silver and the other, gold."

Pick up a calendar from the front desk at the beginning of each month and highlight what piques your interest. Sign up, show up and join the fun! Earn Lakeview Bucks too! For your participation, we will make sure you leave with some bucks to spend in our Lakeview Shoppe the second Wednesday of each month.

We are always looking for your suggestions. Please create your wish list and we'll do what we can to make it happen.

Are you looking for a chance to help? We need your hands on Thursdays to make the beautiful flower arrangements that are placed on your table each week. We would love your participation in recycling and consider joining the recycling committee. Do you enjoy walking or getting outdoors for some fresh air? Our walking group heads to Hemenway Park to see the Big Horn Sheep. When it gets to be too hot, we can walk the halls and add up our steps to travel the world! You choose the destination, we'll figure out the miles together and of course, sightsee along the way.

Participate in at least one activity each month to put a smile on your face and joy in your heart.

We want to create activities that are enjoyable here at Lakeview Terrace and we sincerely appreciate your participation.

All my best,  
Karen

## May 2021

### RESIDENT BIRTHDAYS

**Sandie, 5/1**

**Evelyn L, 5/2**

## EMPLOYEE OF THE MONTH

Join me in congratulating Ron Savet in the Business Office for earning Employee of the Month! Some of you may know her as “Angry Ron”. That is a joke with the staff because she is always reminding us to make sure that we get our online training done so that we remain compliant with the state. Ron is dedicated and trustworthy. My words can never be enough to praise her actions and dedication she has to our team. Her willingness to help everyone does not go unnoticed. We have the best Business Office Manager in the business. Thank you so much for all the hard work you do for all of us here at Lakeview

### MAY EMPLOYEE BIRTHDAYS:

HEATHER, 5/6

APRIL, 5/9

JAMIE, 5/22

GARY, 5/30

Doves are often referred to as “A Pigeon with a good PR agent”. Pigeons and Doves belong to the same family, Columbidae, and have many similar features. Doves are generally slightly smaller than Pigeons but have longer tails. Pigeons are the only birds in the world that do not need to lift their head to swallow water. After finding a mate, males begin selecting a nest site. Nest construction takes over ten hours and covers a span of three to four days. Female mourning doves generally lay two small, white eggs in an open nest. Both sexes incubate, the male from morning to afternoon, and the female the rest of the day and at night. Mourning doves are devoted parents; nests are very rarely left unattended by the adults.

The young leave the nest about 15 days after hatching but remain nearby until they are more accomplished at flying, usually at about 30 days old.
