Community Administrator**

It is time to take off your boots and put on your flip flops...June has arrived!

When I was growing up, summer life was simple. Playtime was wherever our imaginations took us. I have wonderful memories of playing outside for hours with my younger sister and our friends. We would leave the house mid-morning and ride our bikes to our favorite biking trails, stopping to pick wild blackberries for lunch. Other days we would hang out at the pool, ignoring the need for sunscreen and eating junk food from the concession stand. The house rules were simple; be home before the streetlights came on. I sure miss those lazy, carefree days!

What are some of your favorite summertime memories? Hopefully, you will find time this month to stroll down memory lane, reminiscing about your own lazy, carefree summer days.

Do not forget that Father's Day is Sunday, June 20th. Please join me in wishing a Happy Father's Day to all the men who enrich our lives and help us stand tall. You are appreciated!

“Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time.”

-John Lubbock

Marketing Minutes

By Sue Hudson
Marketing Director

It's June, it's a beautiful time of year to be outside relaxing on the courtyard patio, enjoying the fresh air, watching the flowers bloom, and birds bathing in the fountain. I love showing off our beautiful patio and water feature while giving tours. Did you realize Hilltop Commons has the largest outdoor living space than any other senior community in our area? Get out there and enjoy it!

We are so excited to be able to open things back up and starting to get back to some good 'ole routines, and some fun new ones! We are also very proud that our residents have stayed safe and COVID-Free over the past 15 months; that makes all the sacrifices and inconveniences we went through worth it! Congratulations and kudos to all our residents ...we made it over the biggest hurdles, now we can enjoy watching, and participating in, our community reopening and slowly returning to a life as we knew it.

This summer, there will be many new happy folks moving into Hilltop to enjoy the stress-free lifestyle here. They will have a lot of fun and interesting stories to share, I hope you will welcome them with a warm smile and open heart ...because that is how new friends are made!

I want to wish all the Dads a VERY Happy Father's Day! I honor you and all the Dads that made a positive impact on their kids and family! I really miss my Dad and think of him most every day. I will forever be grateful for his love, support, and unspoken life lessons as he always led by example.

Enjoy June and all it has to offer!

Thank you for being a member of our wonderful Hilltop family,

Sue

Activity Corner

Hello Hilltop Family and friends!

I'm so excited to tell you that I, Jammie Barquilla, will be your new Activities Director! I'm moving from being the Kitchen Manager to this new roll as Activities Director, and this will be so much fun for all of us! I have some great ideas, and I can't wait to get started. It is especially nice that I already know most of you, and for those who are new to Hilltop, we will get to know each other soon. I look forward to working with all of you and will enjoy doing the activities while also enjoying your company.

Have a beautiful day and I will be seeing you soon.

Sincerely,
Jammie Barquilla

Culinary Corner

We will keep you posted on new personnel in the kitchen and policies regarding the Dining Room as they become available. We are looking forward to a delicious summer!

Letter from the Editor

Traci Gelgood
Assistant Marketing Director
Acting Activities Director

Exciting changes are happening at Hilltop! As much as I've enjoyed filling in as Activities Director, it is wonderful news that I will be passing the torch to Jammie. I will be going back to my regular duties, and normal routine of being at Hilltop 3 days a week and working at another one of our communities 2 days a week. It's been a lot of fun being here full time and seeing you during door-to-door goodies, and at the activities! But as we open up more and more, I know that you will be in great hands. And I'll still get to see you when I'm here. 😊

"Some days are better, some days are worse. Look for the blessings instead of the curse. Be positive, stay strong, and get enough rest. You can't do it all, but you can do your best!"

Stay happy, healthy, and safe!!
