Residents, Family, Friends, and Staff,

Milestone is Joining the Walk to End Alzheimer's. The Date is October 3rd, 2021. We encourage all that are interested to join us in the fight.

We will be making our own cookbook, and have a **Special Request** for you or your families favorite recipes. The proceeds will go towards the **Walk to End Alzheimer's**. Please E-mail me your recipes, and/ or drop off a copy at the facility. Also add any notations you would like added. We would like to personalize our cookbook and hope everyone can enjoy our finished product.
