Gratitude Soars As Travel Agents Organize a Free Trip for Veteran Pilots

The best friendships not only keep us grounded; they can take us to the skies! Enjoying life from the comfort of an Oregon senior living community, veteran pilots Jack Henderson, David Crawford, and Dick Snider have long had their eyes set on what would become their dream vacation: attending the Reno Air Races in Reno, Nevada. Eager to make their dream a reality, Jack contacted Julie Pflaume, a travel agent who would stop at nothing to help the trio get back in the air.

Upon learning that travel would be unavailable for the foreseeable future, Julie took to her Facebook page to collect donations for an alternative, in-town adventure: a trip through the sky with AeroLegends Biplane Rides. Before she knew it, travel agents had amassed over \$1,110 dollars to see the trip brought to life – and at no cost to the veterans.

“I don’t deserve all the credit here, this was merely an idea on my part

and the only reason it turned into what it was, was because everybody chipped in,” Julie added.

Receiving their invitations in the form of gift certificates, the three friends could hardly believe that they would soon be sky bound.

“Most of us had to go change our britches,” Jack laughed. “It was such an unexpected, pleasant surprise.”

Executive Director Corner

Welcome to June! With summer officially

kicking off this month, it's time to start looking forward to the smell of sunscreen, cookouts with friends, and getting back to the Trilogy lifestyle that we all know and love.

To get us in the spirit of celebration, our Dining and Life Enrichment teams recently came together to pull off our incredible **South America Theme Week**. From May 17th through the 21st, we partied like it was the Rio Carnival to celebrate the sights, sounds, and smells from the comfort of our campus. After months of planning, it was amazing to

see this event finally brought to life – especially after getting to taste the Argentinian chicken. Thank you to everyone involved for creating such an unforgettable experience!

In the coming weeks, we'll have more details to share with you about future themed events, community outings, and outdoor activities. Rest assured - with so much resuming and so much that we want to do, this is shaping up to be one of our greatest summers yet!

I look forward to seeing you soon!

Yours in Service,

Justin Rife
Executive Director

Volunteers Needed

We are in need of volunteers to help facilitate group activities, assist with the visitor check-in processes, and promote spiritual wellness. Father's Day is Coming

Father's Day is Sunday June 20th. To celebrate our amazing fathers and grandfathers, Creasy Springs will be hosting a special drive through event. Be sure to keep a look out for invitations, advertisements, and notifications for details on this celebration!

NICE TO MEET YOU!

Hello Creasy Springs Family! My name is Sarah Britzke, and I am a newer face to the Creasy Campus. I am the new Life Enrichment Director and have been learning a lot from our previous Director Linsey. I am looking forward to seeing your faces as you visit loved ones and create new memories. Summer is coming in full swing and our Life Enrichment team is excited to welcome the new season and meet our longer days with fun-filled activities!

LEGACY SPOTLIGHT

Happy Month of June! We are in full summer swing from Flag Day to Father's Day, Legacy residents are living their best life! We have been so blessed and continue to enjoy seeing families reconnect with their loved ones. Residents are also enjoying their courtyard full of flowers and fun. Our Daily Rhythm program continues with group exercise, artisans, music and more. To find out more about our Daily Rhythms, contact Debi Sanders and/or one of the Legacy Life Enrichment Associates. Legacy wants to wish all our father's a very happy Father's Day, and we welcome you to visit your dad on this special day.

Getting Hooked on Summer

Did you know that Creasy Springs has a fishing pond? Located behind our Villa homes, our campus fishing pond has proven to be a hotspot for bluegill and catfish already this year. One of our residents, Don H. makes sure to keep them biting! Don is known for walking through our campus with his fishing pole in one hand and tackle box in the other. He isn't secretive about his success at the pond and will happily invite you to cast your line next to him. Don't have a fishing pole? No worries! The Life Enrichment Department has a surplus of poles and a spare tackle box we would be more than happy to lend you.

Bringing the Buzz Back

As we adjust to a COVID-recovering world, Creasy is proud to announce that our Life Enrichment Department is "Bringing the Buzz Back". With themed programming and special events, we are energizing our campus and motivating residents to engage with one another to restore our vivacious social dynamics. We have seen success in our Tropical Paradise Day, Cinco De Mayo celebration, and our most recent Llamapalooza! Check out our social media accounts and OneDay video messages for more insight into the fun.
