## Gratitude Soars As Travel Agents Organize a Free Trip for Veteran Pilots

The best friendships not only keep us grounded; they can take us to the skies! Enjoying life from the comfort of an Oregon senior living community, veteran pilots Jack Henderson, David Crawford, and Dick Snider have long had their eyes set on what would become their dream vacation: attending the Reno Air Races in Reno, Nevada. Eager to make their dream a reality, Jack contacted Julie Pflaume, a travel agent who would stop at nothing to help the trio get back in the air.

Upon learning that travel would be unavailable for the foreseeable future, Julie took to her Facebook page to collect donations for an alternative, in-town adventure: a trip through the sky with AeroLegends Biplane Rides. Before she knew it, travel agents had amassed over \$1,110 dollars to see the trip brought to life – and at no cost to the veterans.

“I don’t deserve all the credit here, this was merely an idea on my part

and the only reason it turned into what it was, was because everybody chipped in,” Julie added.

Receiving their invitations in the form of gift certificates, the three friends could hardly believe that they would soon be sky bound.

“Most of us had to go change our britches,” Jack laughed. “It was such an unexpected, pleasant surprise.”

## Executive Director Corner

Welcome to June! With summer officially kicking off this month, it is time to start looking forward to the smell of sunscreen, cookouts with friends, and getting back to the Trilogy lifestyle that we all know and love.

To get us in the spirit of celebration, our Dining and Life Enrichment teams recently came together to pull off our incredible **South America Theme Week**. From May 17th through the 21st, we partied like it was the Rio Carnival to celebrate the sights, sounds, and smells from the comfort of our campus. After months of planning, it was amazing to see this event finally brought to

life – especially after getting to taste the Argentinian chicken. Thank you to everyone involved for creating such an unforgettable experience!

In the coming weeks, we will have more details to share with you about future themed events, community outings, and outdoor activities. Rest assured - with so much resuming and so much that we want to do, this is shaping up to be one of our greatest summers yet!

I look forward to seeing you soon!

Yours in Service,

*Tammy Shirels*  
Executive Director

## Artisan Program

The residents had a great time showing off their artistic skills at our recent Art Walk. Staff and Residents were able to vote on their five favorite pieces on display during the show. The People's Choice Award went to Angele L for her Whimsical Christmas Canvas Painting. The top five voted by their campus peers and staff are as follows: Rachel W, Cloey K, Ida H, Jodie W, Alice H.

Residents are always busy working on new art projects which are displayed in the activity room. Please stop by and take a peak at them when you are in to see your loved ones.

## Campus in Color

Campus in Color is in full swing. Our residents have been working with the Life Enrichment Team to spruce up our outside decorations. They started by planning out the garden themes along with what they wanted to plant. Then came the fun part of planting all the seeds. Now they are waiting for warmer weather to get outside and bring color back to our courtyard. Please take time to admire all their hard work when stopping by to see your loved ones.
