Wellness Coordinator

UPCOMING EVENT HIGHLIGHT

Father's Day is the perfect time to celebrate all the men in our community and let them know just how much they mean to us. Join us for **Root Beer Floats** in their honor as we raise a toast to them!

Our Dad's have taught us so much and helped shape us into the person we are today. So, please share with us... *"What I've learned from my Dad"* with Stefanie so she can compile a nice list.

Please email your sentiments to:
stefanie.roland@singhmail.com

2020 taught us that **“It’s the Small Things in Life that Make us Smile”** and we will be smiling in June because:

Music is in the air! We are thrilled to see many of our favorite entertainers return; as well as, listen to some new ones!

In-Person Worship service is slowly resuming. This month we add **First Presbyterian Church** to our line-up that already included *St. Williams Catholic Church* and *Howard Meell*.

Bus Outings will now include lunch outings, ice cream strolls and a Tiger Baseball game!

ASSOCIATE SPOTLIGHT- ARTHUR CREWS

Arthur grew up between Garden City and Westland with his 2 older brothers. He started in this field just to get a job and realized that he loved it, and now wants to become a nurse. Art was looking for a good Assisted Living Community and started out at 5.5 years ago at our Cherry Hill community. While there he became a Med Tech but transferred to WTO as he saw that we were in need. If you know Art well, you would know that he loves animals, plants and frogs. His favorites are the Red-Eyed Tree frogs and White Tree Frogs. He enjoys building naturalistic vivariums which are natural habitats for his pets. He also is an avid plant lover and especially loves Jewel Orchids. If he's not caring for his many pets, you will find him floating in his favorite lake or exploring one of the state parks trying to identify the plants and creatures that he finds there.

We are so lucky to have Arthur working with us at Waltonwood, the residents love him and he is a great resource on many different subjects. He will also be a wonderful nurse.

MAY HIGHLIGHTS

5

Ole! What a fun fiesta we had for **Cinco de Mayo!** The pinata never stood a chance with this bunch!

7

Painting Memories with Mom was a blast. See page 4 for pictures from the event.

13

Congratulations, to frog Jockey **Jerry** for winning our 1st Annual **Frog Jumping Contest!**

18

During **EMS Week** our Helping Hands group put together a lovely cookie basket to say Thank You!

FOREVER FIT – Beat the Heat

As the temperatures start to rise staying hydrated plays a vital role in maintaining our health. As we age the water content in our bodies naturally decreases, our sensation of thirst diminishes and the side effects of certain medications can greatly increase the risk for serious dehydration in seniors.

*Make sure there's always fluids nearby to drink throughout the day. By the time you feel thirsty is usually too late, drinking small amounts regularly will help to ensure sustained balanced hydration.

*Water does have to be your only source of fluids. Fruits and vegetables like watermelon and cucumbers also offer a healthy dose of hydration.

*As heat and humidity rise avoiding strenuous outdoor activities during the peak hours of the afternoon.

TRANSPORTATION INFORMATION

We are excited to announce that we have been given the green light for more residents to join us on our Bus Outing excursions. If you are interested in joining us, please reserve your seat by signing your name on the event sheet located in the binder in front of the Activity Room.

EXECUTIVE DIRECTOR CORNER- Gina Steigerwald Conway, CALD, CDP

Waltonwood has reached “Herd Immunity”!

With summer quickly approaching and COVID restrictions continuing to lift, our Waltonwood team is excited about the upcoming events we have planned for the residents, team members and families. Our Life Enrichment team is working tirelessly to ensure the residents have a wide variety of fun programs available while continuing to ensure COVID protocols are followed. Safety remains in the forefront of our minds, and we continue to drive vaccination rates throughout the community. Waltonwood vaccine clinics are available for those in need, and we encourage anyone interested to schedule an appointment by visiting the following website:
