Letter from the Dining Services Director

June 2021

As Summer approaches and Covid subsides, we are planning a lot of new events including more outdoor activities as the weather allows. This month we will be introducing Sunday buffets in the dining room with more entree and dessert selections. It will be a refreshing change from Covid distancing, and it will be a fun way to socialize with one another in a more relaxed way. We will have special menus for Memorial Day, 4th of July and Labor Day that we hope you will enjoy.

We will be partnering with Karen in Activities to bring you some new and fun food activities. Be on the lookout for announcements of these events!

We in the kitchen at Lakeview Terrace are proud of our kitchen and the foods we create and will be inviting you to tour the kitchen and let us show you around. These tours will be hosted by Gary, the Dining Services Director. In addition to tours, we will be inviting you for private conversations with Gary to answer your questions about how we do things. Your comments, as always, are valued and appreciated.

We are looking forward to this Summer season full of more activities that bring us closer together.

Chef Gary
