## Milestone Senior Living Tomahawk

Imagine planning to say "I do" to the man of your dreams and COVID-19 put an end to that. A year later, these plans were put into motion and nothing was going to stop Jim and Jean from saying their vow's without having her proud parents Joe and Loretta witnessing. The Swan's reside at Milestone Senior Living in Tomahawk. Friends and Family gathered out on the lawn forming a human aisle for the beautiful bride to be escorted towards her parent's, future husband, his parent's Jim and Carol Stromberg and Pastors Dennis and Wendy Mannering. Some tears were shed, but they were happy tears. The staff had a wonderful time decorating the patio and surprising the "Wedding Party". We knew there was divine intervention when the forecast called for rain, but for the ceremony the sun was shining, and the birds were singing. We were able to get a picture of the Swan's and the newlyweds due to COVID vaccinations. What a great Dare to Dream come true.

# A Little Birdie Told Us...

Sharing notable people, events,  
and accomplishments from  
across the Midwest.

Tiffany, Resident Assistant at Milestone Senior Living in Tomahawk, Wisc., had a knock on her door around 10:45 pm. She found at her doorstep an elderly woman who was lost. Tiffany's home is somewhat remote, so the woman's arrival

was a bit of a red flag. Her concern grew as the visitor shakily walked back to her car. Still in her pajamas, Tiffany decided to follow behind the woman to ensure she made it home. By the time they got to the highway, the woman started to drive on the opposite side of the road! Tiffany called 911 and asked for help as she crossed from one county to the next. At this point she was panicking as she could see oncoming cars ahead. Reinforcements arrived just in time and were able to stop traffic and bring the car to a stop. Tiffany's keen eye saw a problem, her servant's heart made her act.

# Resident Spotlight

Meet William Kirstein from Milestone Tomahawk he is our 'Handy Man' who enjoys keeping busy in our Community. Most recently putting our new patio furniture together. In the past, he enjoyed tending to our gardens, sweeping patios and putting together our bookshelves. Both he and his wife Shirley, enjoy setting up for fundraiser's and offering help to their neighbor's. We are lucky to have such caring neighbors who take prided in the Community.

---

**Tomahawk Welcomes June;** As soon as we knew the warm weather was here to stay, we planted our vegetable and flower garden. Our new patio furniture has arrived. It is nice to sit outside for the summer once again visiting and observing nature. We continue to gradually invite our friends and volunteers back in with precautions taken. It sure feels 'great' to get back to some normalcy.

---

**Tomahawk Life Enrichment Coordinator/ Director Updates;**

Thank you to all of those that helped with set up and supported our used book and puzzle sale. We raised \$135.00 and the proceeds go to the Alzheimer's Association. Bella ran our 'Coffee & Donut on The Go' fundraiser to support our local Fire Department. Thanks to all that came and showed support as \$232.00 was raised. We will continue to have monthly fundraisers and in June, we will be collecting food for our local Food Pantry.

## HAVE YOU HEARD THE GREAT NEWS?

We will be incorporating the Milestone Van once again in our monthly calendar. It will be shared weekly with each one of our four northern Communities starting in June.
