

Woman Meets Her Birth Mother after 50 Years, Learns She's An Actress From Her Favorite Show

When Lisa Wright sat down to watch *That's My Mama* every week as a child, she never could have imagined how accurate the title would prove to be.

As an adopted child, Lisa never sought out her biological family. Once she had a child of her own, however, she began investigating.

"My (adoptive) mom told me, 'Your mommy loved you, but she was really young, and she knew she couldn't take care of you. I wanted a baby so bad, and that's why your mom let me take care of you. You weren't abandoned. This was just the best thing for you,'" Lisa said in

an interview with the *Today* show.

Following a DNA test, Lisa was quickly put into touch

with members

of her biological family – and before long, her biological mother.

"A voice on the other end (of the phone) says, 'Is this my daughter?' And then I just went, 'Oh, my God, is this my mother?'" Lisa said. "And then she goes, 'Yes, sweetie, this is your mom.' It was just the most indescribable feeling."

Lisa would quickly learn that her mother is none other than Lynee Moody – an actress from one of Lisa's favorite shows from childhood.

"I grew up watching my mother on TV and didn't even know it," Wright said. "*That's My Mama* — that was

our must-see TV. We all sat down and watched *That's My Mama* every week, and who knew? No idea.... And that's my mama!"

Happy July, everyone! We are so thrilled COVID restrictions are lifting, I'm looking forward to meeting each residents extended family members! Summer is officially in full swing – and we have a lot to celebrate. Our "Traditions Around The World" Theme Week continues this month with our latest Theme Week – **France**. Be sure to ask to our Life Enrichment Director about all the incredible

activities we have planned! *C'est l'heure de faire la fête (it's party time!)*. As we begin celebrating our independence from COVID-19, we're also anticipating the kick-off of our **Independence from Hunger** food drive. Over the course of the past 5 years, we have been able to raise more than 7.3 million pounds of food to support local food banks across the Midwest. Talk to a team member today to learn about how you can participate!
