Woman Meets Her Birth Mother after 50 Years, Learns She's An Actress From Her Favorite Show

When Lisa Wright sat down to watch *That's My Mama* every week as a child, she never could have imagined how accurate the title would prove to be.

As an adopted child, Lisa never sought out her biological family. Once she had a child of her own, however, she began investigating.

"My (adoptive) mom told me, 'Your mommy loved you, but she was really young, and she knew she couldn't take care of you. I wanted a baby so bad, and that's why your mom let me take care of you. You weren't abandoned. This was just the best thing for you,'" Lisa said in

an interview with the *Today* show.

Following a DNA test, Lisa was quickly put into touch

with members

of her biological family – and before long, her biological mother.

"A voice on the other end (of the phone) says, 'Is this my daughter?' And then I just went, 'Oh, my God, is this my mother?'" Lisa said. "And then she goes, 'Yes, sweetie, this is your mom.' It was just the most indescribable feeling."

Lisa would quickly learn that her mother is none other than Lynee Moody – an actress from one of Lisa's favorite shows from childhood.

"I grew up watching my mother on TV and didn't even know it," Wright said. "*That's My Mama* — that was

our must-see TV. We all sat down and watched *That's My Mama* every week, and who knew? No idea.... And that's my mama!"

Executive Director Corner

Happy July,
everyone!
I hope
that you're

enjoying cooling down from the heat and the easing of restrictions, because summer is officially in full swing – and we have a lot to celebrate.

Our "Traditions Around The World" Theme Year continues this month with our latest Theme Week – **France**. Taking place from July 12th – July 15th, this theme week will see our campus filled with blue, white, and red colors as we celebrate the sights, sounds, and smells of France from the comfort of home. Be sure to ask to our Life

Enrichment Director about all of the incredible activities we have planned! *C'est l'heure de faire la fête (it's party time!)*.

As we begin celebrating our independence from COVID-19, we're also excited to be kicking off our **Independence from Hunger** food drive. Over the course of the past 5 years, we have been able to raise more than 7.3 million pounds of food to support local food banks across the Midwest. Talk to a team member today to learn about how you can participate!

Have a great month,

Jessica Trinko

Executive Director

Campus in Color

We are in full swing with Campus in Color 2021. This year we are blessed to have some volunteers helping with the program. Robert M. and his Daughter Gloria were kind enough to purchase and plant two planters on our Health Center Dining Room Courtyard. Such a delight to see families working together on activities they enjoyed doing for years at home!

Theme Dinner: South America

We had a great time spending the week learning about and celebrating during our Rio Carnival Theme Week in June. Residents enjoyed making Maracas and headdresses in Creative Corner. During Lifelong Learning we found out about the carnival itself, customs, and took a virtual tour of the city. Residents loved the colorful decorations and elaborate costumes. We were ecstatic to be able to include a ribbon cutting for the Grand Re-Opening of the Health Center Dining Room since guidelines for communal dining had been upgraded. The sounds of Salsa music filled the air as they dined on Roasted Beef Tenderloin with Chimichurri and a delicious Tres Leches Poke Cake for dessert created by Chef Justin and his amazing dietary team. We continued the celebration on Friday during Happy Hour with Banana Cream Empanadas and spicy Taquitos. Looking forward to our next France Theme Week in July!

Dietary Team does the honors of cutting the ribbon for the long-awaited Grand Re-Opening of our Health Center Dining Room.
