# DARE TO Dream

Ms. Inge McCormick was born in Germany. She moved to the United States back in 1973. Inge enjoys travelling and has always had a soft spot for animals. One of her favorite animals is horses. Ms. Inge talks often of wanting to go to Churchill Downs and see the horses and watch the races because she has never been able to do that. Willow Creek wanted to make her dream come true, so they purchased tickets to Churchill Downs, on millionaire's row where she received a five-star meal and sat only a few feet away where she could walk out and watch the horse races. She still talks about it today.
