ASSOCIATE SPOTLIGHT

CONGRATULATIONS TO OUR 2021 GRADUATES!

We are honored at Waltonwood Carriage Park to congratulate our Class of 2021 graduates. We are proud of each and every one of our graduates: Kennedy Napolitano, Sydnee Gravlin, Elena Kulas, Mackenzie Currin and Kassidy Davis. We look forward to following their inevitably wonderful journeys as they begin a new chapter in their lives. Congratulations to the Class of 2021!

JUNE HIGHLIGHTS

Fairy lights in a bottle made for a lovely craft to keep or give to a friend! The special guys in our community enjoyed a Father's Day treat along with a dapper bowtie! We also enjoyed building up strength and muscle control with a few rounds of balloon volleyball!

FOREVER FIT: Beat the Heat

A great exercise plan starts with a commitment to wanting to improve how we move and how we feel. The past 15+ months however have taught us that the world around us often has other plans, directly impacting the consistency and success of even the best designed fitness routine. Putting it simply, "life gets in the way" and that's ok, the good news is that it's never too late to hit the reset button and get a fresh start on your exercise journey. As we slowly return to normal, now's the perfect time to reassess your current fitness level and determine what changes can help you return to your strongest, healthiest self. While many of us are ready to reestablish our exercise routine, many of us don't quite know where to begin. By taking some time to meet with our fitness team whether for just a few quick questions or a full assessment we can help identify your strengths, pinpoint your weaknesses and create an accurate picture of your current fitness level to better help you start your fitness journey on the right foot. This summer commit to movement and let our fitness team help you reclaim the health and fitness that lets you feel your very best.

Every Friday afternoon join us on the patio for a special treat! Rootbeer floats, strawberry shortcake, just to name a few!

EXECUTIVE DIRECTOR CORNER

I am very excited to become a member of the Waltonwood Carriage Park family and appreciate the warm welcoming I have been given on my first week. Having known Dustin for a couple years, I knew this would be a wonderful community full of good-hearted people and that is exactly what I have experienced so far. I look forward to getting to meet and know all of the residents, families and associates over the next few weeks. To share a little about myself, my name is Angie Hanson and I have worked in the senior living industry for 17 years serving in various roles. I am very passionate about the work I do, love learning new things and meeting new people. I live in Westland and have two children, Jena who is 19 and goes to the University of Iowa and a son James who is 13. In addition, we have a super cuddly rescue dog named Daisy. In my free time I like to spend time with family, work outdoors, exercise (especially jazzercise), cook, read and play solitaire on my phone.
