## The Library is Making a Comeback!

Books will be making their home again on the shelves inside The Lakeside Village Library. All the repairs are finished after the sprinkler valve leaked and flooded the library. There will be some new additions to the library, including a sitting area and a game and puzzle cupboard.

Books will be sorted by fiction and non-fiction, large print, audio books, and self improvement. Coming in the future will be a catalog to help locate books by authors and genres.

We are excited to be able to get this library ready for use soon!

## Father's Day BBQ Tailgate Shoutout

Thank you to those who helped us celebrate Father's Day here at The Lakeside Village. We appreciate the families that were able to come and celebrate with us. Special shout out to Marla and the culinary staff for working so hard and making sure everything was ready. We tip our hats to you, you are rock stars!!

Your best memories are made on the  
lake...

## Bus Trips are a Success-Scenic Drive

The bus trips are making a comeback at The Lakeside Village. Residents enjoyed the scenic drive and Happy Hour at the Winery. We are so glad to offer off-site group trips again.

The Scenic Drive started with the Historical Site of the first train robbery by Jesse James and his gang near Adair. Then the next stop was the Tree in the Middle of the Road. Sur-

prisingly enough, not many have seen this wonder that started growing in the late 1800's. Next, was the beautiful rolling hills countryside of Audubon County until we drove past the Plow in the Oak. Later, we ended up at Darrell's Place in Hamlin for delicious tenderloins and homemade pie for lunch.

After lunch, the tour continued with a visit to Albert the Bull. The backroad County N32 finished off the scenic drive as we came into the Northwest corner of Guthrie

Center. Residents applauded when the bus came to a halt in the Lakeside parking lot.

## Bus Trips are a Success— Happy Hour at the Winery

Happy Hour at the Winery was a great success.

Residents enjoyed a scenic drive to the Winterset area to visit the Covered Bridges Winery. A charcuterie board

accompanied the wine sampling of "Francesca's Folly", a sweet strawberry blush wine and "Brianna", a sweeter white wine. During our visit, a patron visiting the winery stopped Jean and asked to buy her something since Jean reminded her of her own grandmother that cannot be with her today. This was a touching moment for the two and included Bob too. Once the tasting commenced,

everyone loaded onto the bus and were able to view the beautiful rolling hills on Highway 92 and including the county roads south of Stuart and Panora.
