Minnesota Rouser

Discussion

In 1909 the Minnesota Daily & Minnesota Tribune newspapers held a contest to write a song that could be used for athletic events in place of the state song "Hail Minnesota". This winning song was written by Floyd Hutsell, who was the choir director at a church in Minneapolis. It was dedicated to the band director at the University of Minnesota.

William T. Purdy also submitted a song for the contest, but his lyricist persuaded him to withdraw it and they offered it to the University of Wisconsin instead. It became the song "On Wisconsin".

On Wisconsin

Discussion

John Phillip Sousa declared that this was the best of the fight songs. Some variation of this song is used in over 2,500 schools!

-Based on the MUSIC ONLY - which do you prefer, the "Rouser" or "On Wisconsin"? Why?

You've Gotta Be a Football Hero

Discussion

This song was written in 1933. Attitudes have changed quite a bit since then. What are some things that would make a high school or college student attractive these days? (example: being an athlete, being in a band, being in theater, etc.)

Moving

NFL Football TV Theme Songs

While you're listening the theme songs, recreate some football motions.

Cross arms over chest as if you are holding and protecting the ball (engage feet if able), Toss the ball; Reach out to tackle, Catch the ball, What do they do at the goal for the touchdown?

Watch the Seahawks Touchdown Video, then try making up your own celebratory dance! Discuss some occasions when you might be able to use.

Closing Song

Na Na Na Na, Hey Hey Hey, Goodbye

Ain't We Got Fun?

Every morning, every evening, ain't we got fun?
Not much money, oh, but honey, ain't we got fun?
The rent's unpaid, dear - we haven't a car
But in any way, dear - we'll stay as we are

Even if we owe the grocer, Don't we have fun?
Tax collector's getting closer - Still we have fun!
There's nothing surer
The rich get rich and the poor get poorer
In the meantime, in between time - ain't we got fun?

Don't we have fun? Still we have fun

Even if we owe the grocer, don't we have fun?
Tax collector's getting closer - Ooh, what fun
There's nothing surer
The rich get rich and the poor get poorer
In the meantime, in between time
Don't we have fun?

You've Gotta Be a Football Hero

If you haven't got a sweetie and you wonder why
You haven't got someone to love,
If you haven't got a sweetie here's the reason why
You haven't got someone to love.
Gentleman from Maine to California
Give me your attention while I warn ya':

You gotta be a football hero
to get along with the beautiful girls
You gotta be a touchdown getter, you bet.
If you wanna get a baby to pet.
The fact that you are rich or handsome
won't get you anything in curls;
You gotta be a football hero
to get along with the beautiful girls.

Ev'ry female flaming youth
goes for Gagle, Grange and Booth
Friedman, Newman and Carideo,
Kosky, Oosterbaan and Kurth
Are rulers of the earth,
'Cause the ladies love 'em, love 'em so
If the girls are what you want to get man,
Hurry and become a triple threat, man. (*turn*)

You gotta be a football hero

To get along with the beautiful girls

In spite of all a million dollars can do

A tackle or two will mean more to you

If you can make the winning touchdown

You'll never have to buy them pearls

You gotta be a football hero

To get along with the beautiful girls!
