Visiting Policy

Indoor Visiting Policy

Effective immediately, resident visits may be permitted under these guidelines, subject to change due to local COVID percentages:

With the change in weather, we are entering a new phase of our protocol that will allow for indoor visits of loved ones. In an effort to continue to make Garnett Place a safe space for all residents and employees, testing for COVID or proof of vaccination will be utilized before apartment visits. This is only available if the COVID percentage for the county is below 10%.

As a reminder, despite our best efforts, visits may need to be suspended or delayed based on the county positivity rate and any active cases of COVID-19 within the Community. Whether you choose to test or not, a pre-visit symptom screen and questionnaire will be conducted.

Garnett Place appreciates your understanding as we continue to navigate the best courses of action during this pandemic. Please do not hesitate to reach out to us with any questions and we look forward to many happy reunions in the weeks and months to come.

Monday - Friday: 9am - 4pm

Saturday & Sunday: 10:30am - 1pm

Please note that weekend times will fill up quickly. If you are interested in visiting on the weekends please schedule ahead by calling Garnett Place.

It is our goal to provide you much needed time with your loved ones while keeping everyone safe and healthy.

If any of the above policies are violated we reserve the right to end the visit early. We also reserve the right to change or cancel visits as we track COVID trends in our area.

Recap:

**Monday - Friday:
9am - 4pm**

**Saturday & Sunday:
10:30am - 1pm**

**Call:
319-362-3630 to
schedule your visit.**

Visitors must wear a mask throughout the community in the common areas.

Two visitors allowed in residents' apartment at a time.

Welcome to August

As most of you have heard, my wife and I are currently building a house in Mt. Vernon. I am excited that I will be living closer to Garnett Place! We will close on our house August 19th and move in soon after.

My wife and I also have a trip to Colorado coming up at the beginning of August that will overlap with our first year wedding anniversary on August 9th. I plan to do a presentation sometime in September to share about our trip and share pictures with everyone.

We are experiencing our wonderful August heat, for those of you that enjoy sitting outside, make sure you take breaks to come inside to cool off and hydrate by drinking lots of water.

Garnett Place Family

Happy August Everyone-
I feel like this summer has flown by! We continue to welcome new residents every month, but there's always room for a new neighbor. July was a great start for our tour bonus program! We gave several rent discounts out for saying great things about Garnett Place during family tours, but we'd like to give out even more this month. If you have any questions about how you can earn this discount on your rent, please come see me!

Our fundraising efforts for the Alzheimer's Association Walk to End Alzheimer's are going well. At the end of July, we had raised about \$850 toward our goal of \$1,500. Keep your eyes open for additional fundraisers throughout August and September, and let us know if you would like to make a contribution to this incredible cause.

Kitchen Updates

Hello Garnett Place, August has arrived. The warm Summer heat is upon us. I hope everyone has been staying very well hydrated and monitoring the amount of sun exposure while being outdoors.

The grilling on Fridays has been going over well in the kitchen, I will be putting a few fish items back on the menus as well. This gives a wide variety of main dishes for everyone to have the chance to enjoy their favorites.

If there are any other suggestions for favorite food items please let me know, I enjoy hearing from everyone!

Jeremy Curl,
Culinary Coordinator

Stay Cool!

Welcome to August! Wow, has Summer really flown by! For those of you that have been spending time outdoors, you know that the heat has set in for the Summer. Make sure you are all staying well hydrated with water and getting plenty of cool air!

The Iowa State Fair will begin in a short couple of weeks. My husband and I will be taking a weekend away while attending the fair and enjoying many delicious treats! My husband and I have our first wedding anniversary coming up on August 15th, so we look forward to celebrating that while we are at the fair as well. I hope everyone has a great month and is able to enjoy the Summer heat while it's here!

Stay Safe Outdoors

Happy August! August is my favorite month as it's my birthday month (27th)! On August 10th the podiatrist will be visiting so please let me know if you would like to be seen if you have not already. August is also known for being extremely hot and humid! While spending time outdoors this month please make sure you are drinking enough water and spending time in the shade as well. As we age our bodies tend not to do as well in the heat!

I'm extremely excited to welcome Andrea, our new Assistant Healthcare Coordinator to the Garnett family! She is a great asset to Garnett Place, so please give her a warm welcome as you see her around the community!

Becca Kimm,
Healthcare Coordinator

Greetings!

My name is Daniel Sanford and I am the new Life Enrichment Coordinator at Garnett Place. It's my pleasure to serve each of our residents and families as we work, together, to enrich each other's lives through: Enrichment of Mind, Enrichment of Body, and Enrichment of Spirit. Our activities and celebrations will all be directed toward these purposes. I look forward to getting to know all of our Garnett family - those who live within and those who support from the outside - much better in the days ahead!

Welcome Andrea!

Hello everyone, my name is Andrea Mundell and I am the new Assistant Health Care Coordinator at Garnett Place. I have been a nurse for two years. Prior to working at Garnett Place, I was a nurse on the Cardiac Stroke unit at Mercy Medical Center.

I am very excited to start this new journey and become a part of the team!

Outside of working, I love going for bike rides and spending my free time outside when possible. I look forward to getting to know everyone much better!
