

RiverView Ridge

SENIOR LIVING

July 25, 2021

Does everyone else feel like July usually lasts about two seconds? I feel like I blinked and July is pretty much over. We've had a few changes here at RiverView Ridge, and like always, we've been keeping very busy.

As of right now, we have a wonderful interim director taking charge of the functions of our facility. Her name is Amber Raveling and she is the director of Keelson Harbor, one of our sister-facilities, in Spirit Lake. Along with the new director position, we now have three nurses working here instead of one. Change can be confusing at times, but we're super excited to have our new team members.

Our activities this month have been pretty exciting! We've had a Fourth of July celebration, we've taken residents to the parade, we've went out for coffee and donuts, visited the Lyon Co. fair, gotten ice cream, and we've gotten produce from our gardens. We're so thankful and blessed to be able to do fun things in our free time.

Amber Raveling -
Interim Manager

Josie Hoksbergen LPN,
Sarita Van Maanen LPN,
Brenda Downs - *Health
Care Coordinators*

Kacyn Post - *Life
Enrichment Coordinator*

Belinda Madison -
Culinary Coordinator

Dennis Van Zee,
Maintenance

Nurse's Notes:

Our nursing roles have changed a bit here at RiverView Ridge. We're very happy to have Brenda Downs RN, and Sarita Van Maanen LPN join our staff. Although sometimes adjusting to change can be hard, we know these two nurses will be a great addition to our facility.

July Birthdays

Residents:
Karen Kieboom
Judy Baatz
Staff:
Aliyah Temple

Fourth of July has always been a favorite holiday of mine! It's always so much fun and filled with summer activities and traditions. We celebrated this year by having a picnic, making fourth of July crafts, and going to the parade in Inwood.

Happy Birthday

Probably one of our favorite parts of summer—sitting on the deck!

Baking banana bread! It was delicious!

Our birthday gals this month!
Karen and Judy!

We checked out the Lyon County fair this month! So fun to look at all the animals!

We love our garden! We're growing peppers, tomatoes, lettuce, onions, and radishes! It's so fun to watch the plants grow. We've been getting lots of lettuce and peppers so far! Patiently waiting for those tomatoes!

Checking out the Rock Valley Farmers market!

- Things to look forward to next month:
- Ralley in the Valley Parade
 - We might start volunteering at JFA !

Out for coffee and donuts at Casey's Bakery!
What more could you want?
