Executive Director Corner

Welcome to August, everyone! It's hard to believe that we're already more than halfway through the year, but with so many great things having taken place during this summer alone, I'll just chalk it up to the adage of "time flies when you're having fun."

Those who have been active on our campus know that we recently celebrated another incredible Theme Week – this time celebrating the sights, sounds, and smells of France. It was great reuniting with old friends, seeing new faces, and coming together to enjoy delicious meals such as the lemon curd crapes, blood orange chocolate tart, and of

course, our signature Crème Brule. Thank you to everyone who came together to make this such a special event!

As we continue our journey through the summer and begin looking forward to the fall, we'll be letting you know about even more outings, cookouts, and community events that are sure to excite even the most adventurous members of the Trilogy family. Look forward to hearing about all of this and more in the coming days and weeks!

Happy Hour

Hot Wheels is not just for kids! Residents chose cars and bet on the winners with campus cash! There were some minor disputes to settle and necessitated some testing of the tracks! It had to be proven that the tracks were exactly the same and one did not support a faster race for a car. Who knew Hot Wheel races could be so complicated!

Start your engines! Hot Wheel races!

Julie is spending most of her leisure time serving others. She requested yarn and started crocheting squares for her afghans. Then her family sent her yarn and she set up shop in her room! Thank you, Julie, for your servant's heart.
