Notes from your Resident Council President:

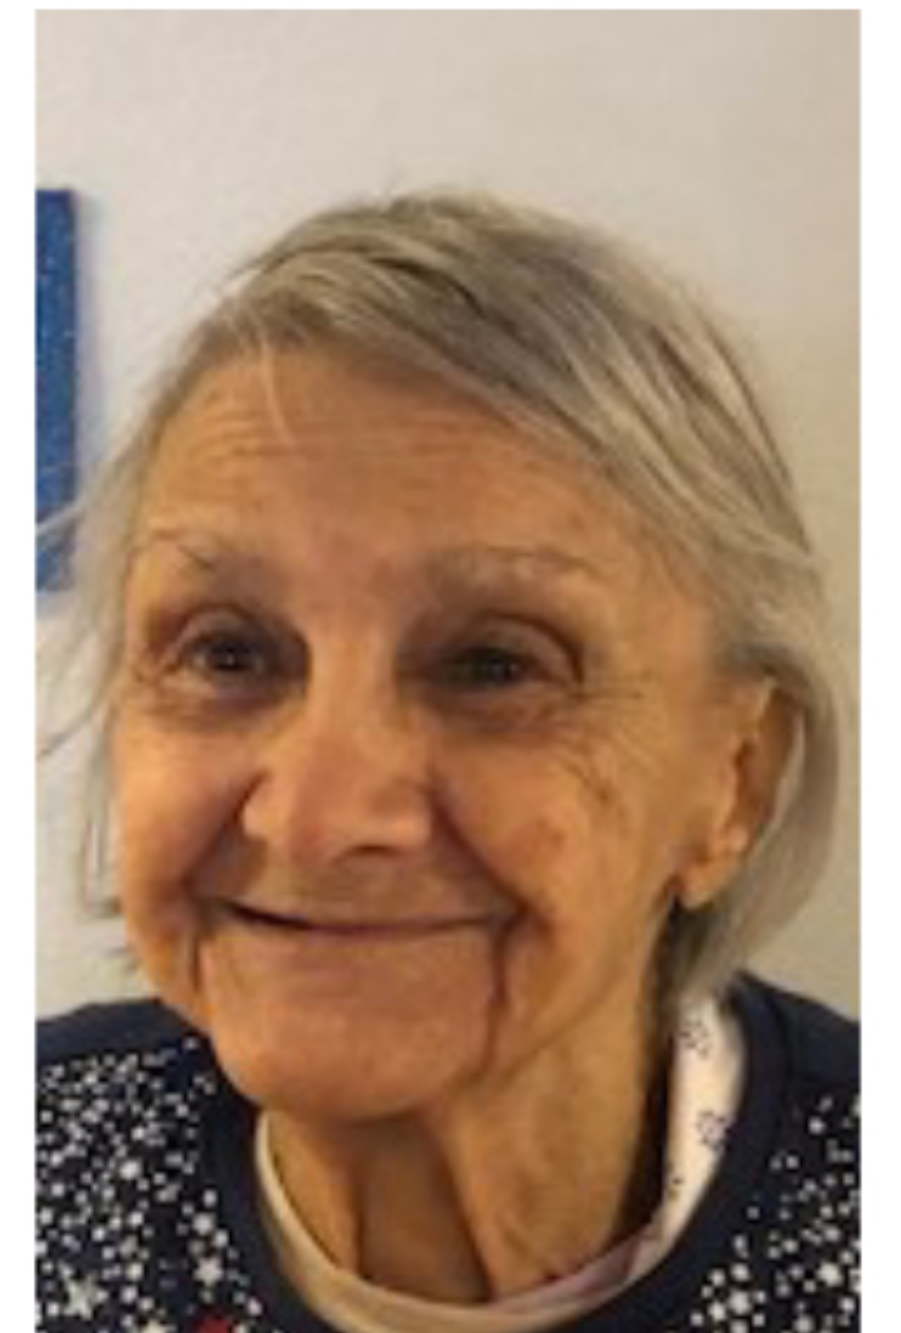

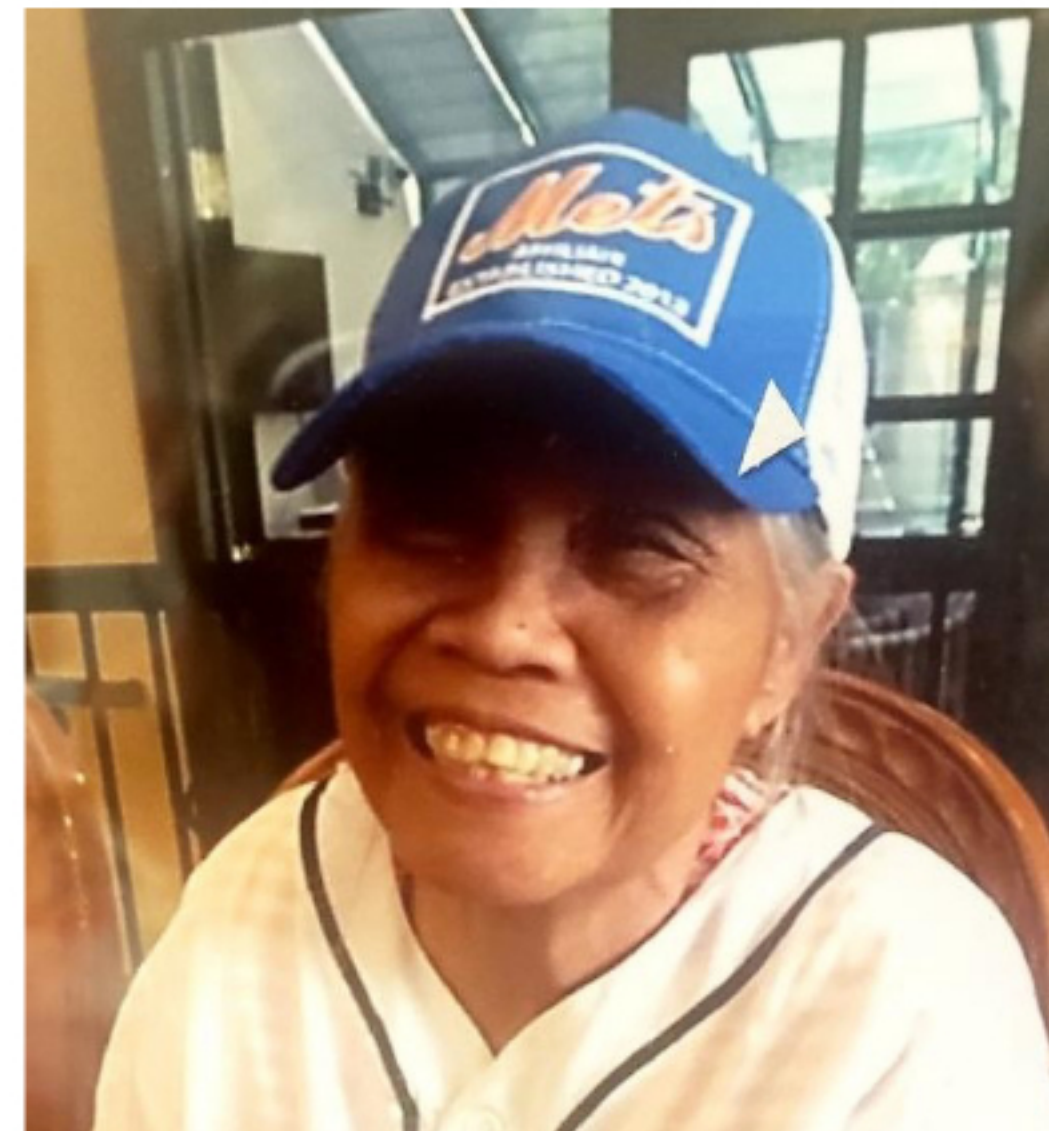

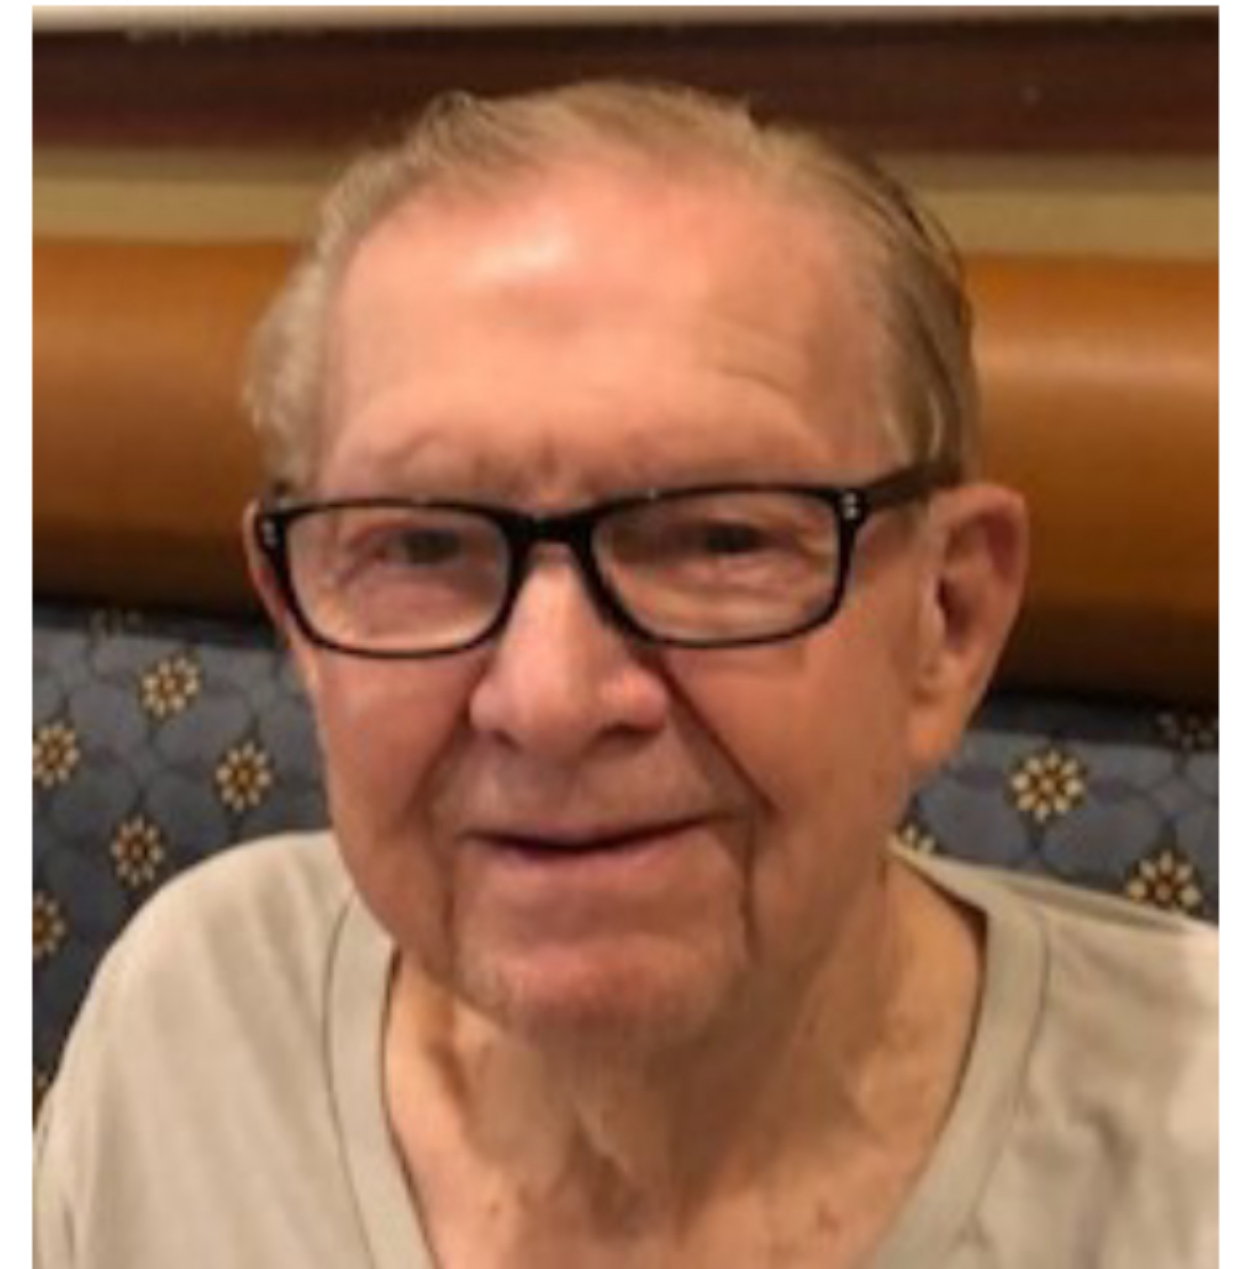

Fellow Residents, I, Gerald Fife, (please call me Jerry), am your unelected President of the Resident Council. Council means you! July was my second time to preside over our meetings, which are scheduled on the second Tuesday of each month. Make your voices heard! Make your opinions count! Mark your calendars! The calendar of events has the meeting listed along with other events and activities. If you make it to the dining room each day for your meals, you can make it to the meeting. We can also get transportation for you so that you may attend our meeting. We have over 40 residents here at Lakeview Terrace and it would be great if 30 residents would attend. Our August meeting will be attended by the State Ombudsman. She will be here to answer any and all of your questions. I will see you on August 10th. We start at 2:15, so plan on being there before that time.

Thanks,
Jerry
Resident Council President
