Campus Retreats – Everything You Need to Know

In 2020, Trilogy communities across the Midwest came together to pull off an incredible feat – organizing their own campus retreats, and putting on a true celebration of Trilogy culture. These retreats saw residents and employees alike come together to celebrate themes including “Fall Carnival”, “Trilogy Tailgate”, “Surfin’ Safari”, and more. This year, we’re proud to be bringing this one-of-a-kind event back – and you won’t have to wait long to see it brought to life!

Just around the corner, each Trilogy campus has chosen a day between September 20th and September 24th to celebrate their unique retreat.

Regardless of the day (and the theme!) that they’ve chosen, each community will be shown to an unforgettable day of theme-related activities, dining options hot off the plate, and opportunities to create arts and crafts - just to name a few.

We’ll be sharing more details as we

get closer to the event – but in the meantime, don’t hesitate to talk to any member of our team to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. We can’t wait to see you there!

Happy Birthday!

Executive Director Corner

Happy September, everyone!

Fall is nearly underway, meaning we can start looking forward to the sight of red leaves, the taste of harvest foods, and of course, the relief of cooler weather. And if that's not enough to put you in the Autumn spirit, maybe the return of our annual retreat will!

We'll be picking a day between September 20th and 24th for a special getaway filled with arts and crafts, unique menu options, and one-of-a-kind programs designed to provide you with the creative outlets

that Trilogy residents love and deserve. Talk to any member of our team today to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. If you have any questions or concerns about anything in the meantime – or if you just want to catch up – please don't hesitate to reach out. We love hearing from you!

Have a wonderful start to the fall!

Yours in Service,

Justin Rife

Executive Director

CANNING VEGGIES

We are enjoying the fruits (or should we say vegetables) of our labor as we turned our impressive cucumbers into tasty, canned pickles! Not to make a big DILL about it, but we had a lot of fun!

THEME DINNER – FRANCE

Welcome to Paris, France! We enjoyed our quarterly theme week traveling across the world exploring Paris, France.

Resident Retreat

Retreat (v) To treat again. Last year's campus retreats were such a success that we are bringing them back! As we continue to follow and adjust to new guidelines, we want to continue to provide much-needed creative programming that our residents love and deserve. Our goal is to continue to enrich their lives, breathe fresh life into our “new normal” routine, and allow our residents to gain new experiences by bonding with peers and staff. Our Retreat theme this year is Fall Carnival! Who doesn't love biting into a warm caramel apple while enjoying some fun games? Our resident will enjoy their very own Fall Carnival right at home! This year's Campus Retreat will be a 10 out of 10 activities!

Legacy Spotlight

It's that time of summer. Legacy residents went to the County Fair and spent the day appreciating all of the hard work that the kids of our community put into their animals and projects. We also enjoyed some signature fair foods while we were at it!

Calendar Changes

All Activities Calendars are subject to change. Please check out the Activities Calendars for updated activity dates and time and Community Share TV's for any changes to the calendar.

Live A Dream

If you have a dream (big or small) something you have always wanted to do or maybe something you've already done but dreamed to do it again, please let someone in Life Enrichment know. Let us help you make that dream come true!
