Campus Retreats – Everything You Need to Know

In 2020, Trilogy communities across the Midwest came together to pull off an incredible feat – organizing their own campus retreats, and putting on a true celebration of Trilogy culture. These retreats saw residents and employees alike come together to celebrate themes including “Fall Carnival”, “Trilogy Tailgate”, “Surfin’ Safari”, and more. This year, we’re proud to be bringing this one-of-a-kind event back – and you won’t have to wait long to see it brought to life!

Just around the corner, each Trilogy campus has chosen a day between September 20th and September 24th to celebrate their unique retreat.

Regardless of the day (and the theme!) that they’ve chosen, each community will be shown to an unforgettable day of theme-related activities, dining options hot off the plate, and opportunities to create arts and crafts - just to name a few.

We’ll be sharing more details as we

get closer to the event – but in the meantime, don’t hesitate to talk to any member of our team to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. We can’t wait to see you there!

Happy Birthday!

Volunteer News

The Life Enrichment

Department is thrilled to welcome our first volunteer, Jill! She has been coming to many Senior Executive Club events since before we even opened to residents, and she is now calling bingo for our residents on Tuesday afternoons. If you would also like to volunteer at Gateway Springs, many opportunities are available, including accompanying us on outings, screening visitors at the front door, and providing companionship to residents. Please contact Life Enrichment Director Claire McClain for more information.

Executive Director Corner

Happy September, everyone!

Fall is nearly underway, meaning we can start looking forward to the sight of red leaves, the taste of harvest foods, and of course, the relief of cooler weather. And if that's not enough to put you in the Autumn spirit, maybe the return of our annual retreat will!

On Thursday, September 23 from 4pm-6pm, we will be hosting a Fall Carnival with fair food and carnival games!

It will be open to residents, families, and members of the community. If you have any questions or concerns about anything in the meantime – or if you just want to catch up – please don't hesitate to reach out. We love hearing from you!

Have a wonderful start to the fall!

Yours in Service,

Ross Homan

Executive Director

Entertainment

Our first-ever concert was a delightful performance by New Horizons Orchestra. They are affiliated with the University of Cincinnati's College-Conservatory of Music and focus on teaching adults over age 50 how to play classical music. On Friday September 3rd, we will be hosting a concert by Bruce Wilburn, a musical entertainer who currently performs in Branson, Missouri! Please join us at 1:30pm for what is sure to be an amazing show.

Out & About

Eleven residents went on our outing to the Butler County Fair for Seniors Day. We saw the chickens and rabbits and admired all the artwork and handmade entries. We also met the Fair Queen and enjoyed corn dogs and funnel cake. Our Assistant Director of Health Services, Linda Gentry, was excited to show us the patriotic quilt her mother made that won 1st Place. Next year, we'll have to submit our own entries!

Did You Know...?

Did you know that there is a smartphone app called SpectrioShare that allows you to see the menu and scheduled activities each day, in addition to photos of our residents enjoying our programming? With the app you're able to see the same announcements and photos displayed on the screens throughout our campus. Please contact Life Enrichment Director Claire McClain for more information on how to download and log into the app.
