

Campus Retreats – Everything You Need to Know

In 2020, Trilogy communities across the Midwest came together to pull off an incredible feat – organizing their own campus retreats, and putting on a true celebration of Trilogy culture. These retreats saw residents and employees alike come together to celebrate themes including “Fall Carnival”, “Trilogy Tailgate”, “Surfin’ Safari”, and more. This year, we’re proud to be bringing this one-of-a-kind event back – and you won’t have to wait long to see it brought to life!

Just around the corner, each Trilogy campus has chosen a day between September 20th and September 24th to celebrate their unique retreat.

Regardless of the day (and the theme!) that they’ve chosen, each community will be shown to an unforgettable day of theme-related activities, dining options hot off the plate, and opportunities to create arts and crafts - just to name a few.

We’ll be sharing more details as we

get closer to the event – but in the meantime, don’t hesitate to talk to any member of our team to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure.

We can’t wait to see you there!

Happy Birthday!

Executive Director Corner

Happy September, everyone!

Fall is nearly underway, meaning we can start looking forward to the sight of red leaves, the taste of harvest foods, and of course, the relief of cooler weather. And if that's not enough to put you in the Autumn spirit, maybe the return of our annual retreat will!

We'll be picking a day between September 20th and 24th for a special getaway filled with arts and crafts, unique menu options, and one-of-a-kind programs designed to provide you with the creative outlets

that Trilogy residents love and deserve. Talk to any member of our team today to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. If you have any questions or concerns about anything in the meantime – or if you just want to catch up – please don't hesitate to reach out. We love hearing from you!

Have a wonderful start to the fall!

Yours in Service,

Rebecca Lucase

The residents also enjoyed their own version of Olympic games at the campus playing ring toss, washers and other active games! All the residents that participated won gold medals just like Jackie!
