

Campus Retreats – Everything You Need to Know

In 2020, Trilogy communities across the Midwest came together to pull off an incredible feat – organizing their own campus retreats, and putting on a true celebration of Trilogy culture. These retreats saw residents and employees alike come together to celebrate themes including “Fall Carnival”, “Trilogy Tailgate”, “Surfin’ Safari”, and more. This year, we’re proud to be bringing this one-of-a-kind event back – and you won’t have to wait long to see it brought to life!

Just around the corner, each Trilogy campus has chosen a day between September 20th and September 24th to celebrate their unique retreat.

Regardless of the day (and the theme!) that they’ve chosen, each community will be shown to an unforgettable day of theme-related activities, dining options hot off the plate, and opportunities to create arts and crafts - just to name a few.

We'll be sharing more details as we

get closer to the event – but in the meantime, don’t hesitate to talk to any member of our team to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. We can’t wait to see you there!

Happy Birthday!

Executive Director Corner

Happy September, everyone!

Fall is nearly underway, meaning we can start looking forward to the sight of red leaves, the taste of harvest foods, and of course, the relief of cooler weather. And if that's not enough to put you in the Autumn spirit, maybe the return of our annual retreat will!

We'll be picking a day between September 20th and 24th for a special getaway filled with arts and crafts, unique menu options, and one-of-a-kind programs designed to provide you with the creative outlets

that Trilogy residents love and deserve. Talk to any member of our team today to learn more about our theme, the activities we have planned, and how you can be best prepared for our next great adventure. If you have any questions or concerns about anything in the meantime – or if you just want to catch up – please don't hesitate to reach out. We love hearing from you!

Have a wonderful start to the fall!

Yours in Service,

Kevin Craig

Executive Director

FEATURED RESIDENT

Norma L. is a Memory Care resident who always enjoys being out in the sunshine. Often you will find Norma sitting near the doorway to the courtyard basking in the sun or maybe just catching a gentle breeze. She also likes to help in baking goodies to share with the other Legacy family members. Norma relishes in telling anyone who will listen about her wonderful dog, Missy. Missy currently resides in Columbus, Ohio with Norma's next-door neighbors. At other times Norma can be heard expressing her love of Buckeye Lake, where she has a lakeside cottage that holds many special memories of times with family and friends. We are thankful for Norma, her beautiful smile, and the positive messages that she conveys to us each day!

Employee of the Month

Jessica Morris, QMA has been with Trilogy for 2 years. In addition to balancing nursing school and working at St. Andrews, Jessica is a single mom of two daughters – 2 and 4 years. Jessica can often be found assisting her fellow employees and keeping her residents engaged and happy with her positive attitude. Thank you, Jessica, for your leadership and for being a dedicated member of our St. Andrews team!

Senior Executive Club

St. Andrews recently hosted BINGO and lunch for our Senior Executive Club members. Many were in attendance for this event and fun prizes were awarded to our winners! Our Senior Executive Club meets monthly to stay up to date on what is happening at St. Andrews, as well as helps to promote our campus. If you are interested in being a part of this club, please reach out to Kelsey Steinhauer, CSR at (812) 934-5090.

Outings

On a recent bus ride Rita S. asked to stop by her home, so she could take a photo. She told the story to those on the bus about the large weeping willow at her house and how it started out small and she groomed it into the tall, deciduous tree that it now is. Rita enjoyed retelling many memories of living in that home with those on the ride with her.

ARTISAN PROGRAM

Nancy Koontz, LEA is a creative wizard who keeps our residents engaged in designing beautiful craft projects twice a week. In 2021 alone the residents have painted sunsets and flags, flowers, and their own profiles. They have also woven baskets, constructed teacups with flowers spilling out, painted vases in which to arrange fresh flowers, and have utilized their hands and minds to create many new projects. The residents appreciate the beauty and enjoy the interesting and unusual situations where they can express their creativity and imagination.

ER3 Highlights

Our ER3 in August was full of Fun, Food, Trilogy Family, and Flamingos! The theme was, "Be like a flamingo. Stay balanced and always remain fabulous!" Our St. Andrews employees embody these characteristics and so much more!
