September Birthdays

In astrology, those born from September 1–22 are Virgo's Virgins. Virgos pay attention to details and like to keep things organized. Their deep sense of humanity and love for others makes them defenders of justice, goodness, and purity. Those born from September 23–30 balance the scales of Libra. Peaceful and fair, Libras value balance and symmetry. For this reason, they often champion justice and equality. Using tact and calm, they resolve conflicts among family and friends.

Eagle Scout, Dan Bruder, has been very busy this past summer working on his Eagle Scout project. Dan chose Senior Commons for his project and has been building garden boxes for the residents.

These cedar boxes have kept Dan and his team quite busy.

We look forward to their arrival here at Senior Commons upon their completion.

Happiness is...making it through co-vid quarantines; enduring no family visits, not having to have meals in our rooms and being able to hang out with our friends again.

We took full advantage of this summer and we have the pictures to show how much fun we had.

Good friends and lemonade on the porch...doesn't get any better than that.

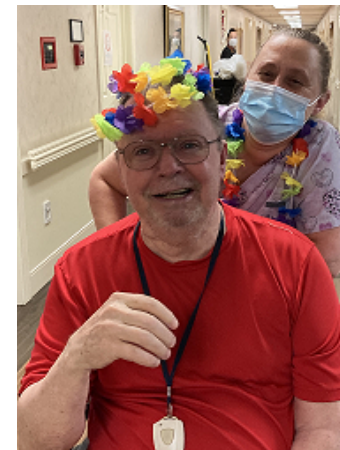

We were able to enjoy the Olympics on a very personal level thanks to Richard & Mary who's great grand neice Hali Flickenger, U.S. swimmer was a competitor.

Took some time to help our friends at Olivia's House to prepare for a very special graduation.

We even were able to enjoy the sights, sounds and tastes of the "big island". Staff & residents alike had a lot of fun at our luau.

The skies may have started out cloudy and overcast, but that didn't stop us from having a very successful yard sale. There were plenty of vendors and the community came out to see what all was for sale.

Many thanks to community donations from Rita's Ice, Philly Pretzel Factory, Maple Donuts and Starbuck's. The monies raised from this event went to benefit the Alzheimer's Organization.
