September & October

A Note from the Executive Director

Well another couple Months have passed & as you all know, the country is experiencing an outbreak of the new COVID Delta Variant. We are taking this very serious & want everyone to know we are using many precautions to keep us all healthy. Please do not visit if you are experiencing any COVID, flu or cold like symptom's. Our population is very susceptible to the virus & we want to keep everyone safe. Currently there are no additional restriction's, but some could come soon if the outbreak worsens. For the good news, we have some nice events coming up. I will be grilling for Labor Day on September 3rd & we will have a nice lunch prepared on Labor Day ,with live entertainment. On Sept 8th, we will celebrate Grandparent's Day a little early with live entertainment & a Happy Hour in the Dining Room from 2:30 to 3:30. Grandparent,s Day is Sept. 12th and we will have FaceTime calls available for our Residents to talk & see families that cannot come and visit. Reach out to Nikki in activities if you would like to arrange a call. September 15th will feature an Emmy Awards Style Happy Hour, so remember to dress to impress. This will be in the Dining Room from 2:30 to 3:30 with live entertainment. As always stay safe and let me know if there is anything you need.
