

## ABSAROKA SENIOR LIVING CELEBRATES NEW OWNERSHIP WITH GRAND OPENING EVENT JUNE 11, 2021

BY PIA BRAUSER, COMMUNITY RELATIONS DIRECTOR, ABSAROKA SENIOR LIVING

Absaroka Senior Living has big plans for a grand opening event and the public is invited. Our indoor/outdoor family-oriented celebration is Friday, June 11 from 4 pm to 7 pm. We will kick off the patriotic flag day weekend with a color guard presentation and the national anthem. Mayor Matt Hall, the Cody Chamber Ambassadors, and new owners from Compass Senior Living will join us in a ribbon-cutting ceremony.

We will be serving up great food prepared by our dining services team, led by Rodney Van Pelt. Rodney has been the Dining Director for 7 years. His side-kicks Steve and Patty have been preparing amazing meals for residents since 2003. "We will have food stations outside and inside the community so guests can freely walk about the property", says Rodney. "We want the public to feel welcome and enjoy our beautiful building and grounds." Absaroka is also planning a beer garden, wine station, sodas, and more!

"In addition, our team will set up a scavenger hunt rewarding those that find our hidden treasures!", shares Rebecca Deal, the Business Office Director. "I love to participate in events like this, we have so much fun pulling it all together".

Lisa Sanstead, the Activity Coordinator keeps coming up with ideas the residents will participate in as well. "We have a lively group of folks that play a big part in making this an awesome place to live. They keep us on our toes with skits, games, and activities. I think they have more energy than I do!"

And music, yes, live music. Cody has many talented musicians, and we think we are snagging a couple of the best. The details aren't finalized but, the public will be pleased. We're also roping in The Cowboy Cooks that serve the best cobbler in town at the Buffalo Bill Center of the West. Paul Cannizzaro, the Maintenance Director says, "I can see they are going to keep me busy getting all this set up, but if I can have some of those biscuits, it's worth it." Paul keeps Absaroka in tip-top shape, along with Joanne our housekeeper.

So, from all of us, including Kalli our Executive Director, Gypsy, and her awesome care team as well as myself,

You're invited! Bring the family and enjoy a great afternoon.

Looking forward to seeing you,

*Pia*
