In astrology, those born from October 1–23 balance the scales of Libra. Libras are peaceful and fair, and value balance and symmetry. For this reason, they often champion justice and equality. Those born from October 24–31 are Scorpions of Scorpio. Scorpions are passionate, dedicated, and resourceful. Scorpions may seem intimidating, but they are just no-nonsense people who value honesty and loyalty above all else.

Fall Food Drive!

Please join us in participating in a fall food drive! We will be accepting all non-perishable food items. The food drive will go on through the whole month of October. All items donated will go to Love, Inc. There will be a large box in the main entrance for all items. So, when visiting your loved ones, don't forget to grab those non-perishables!

Michelle's Corner...

The colder weather is approaching please make sure your loved one has the appropriate clothing as well as outdoor clothing in case there is an emergency and we must evacuate outside. A few friendly reminders; please be sure to let staff know ahead of time about your loved ones appointments so we can have the proper paperwork ready to go for the visit. When returning from an appointment please give a staff member the after visit summary so we are aware of any medication changes or updates. When visiting our community be sure to use our guest sign in/out book located inside the main entrance. When taking a family member out, please notify a staff member and sign them out and then back in when you return. Thank you to all of our family and friends for your patience and understanding while we continue to power through Covid-19. As always, if you have any questions or concerns, please do not hesitate to ask!

Pink for Breast Cancer!

October is Breast Cancer Awareness Month, which is an annual campaign to increase an awareness for this disease. Breast cancer is the most commonly diagnosed cancer in women. In honor of breast cancer awareness, we would like all our friends and families to wear pink on Friday, October 22nd.
