This past month I had the opportunity to participate in my first walk, to end Alzheimer's and let me tell

you, if you've never experienced the walk, you better mark it on your calendar for next year! This event is for anyone and everyone! I was amazed to see all the college students that participated, not because they know or care for anyone in particular, but simply because they support the cause and want to be part of finding a cure for the disease. It was truly amazing to see people of all different ages to support this cause. With that being said, just because the walk is now officially over, we are going to continue to raise money through the end of the year. We have currently raised 3,256 dollars and that does not include all the can donations we have received. I can't thank each and every one of you enough for your continued support towards the Alzheimers Association.

**Manager- Kaylene  
Hoskins**

FALL is here! This is my favorite time of the year with the crispiness in the air and all the fall smells.

At the end of last month, I was able to attend the Iowa Assisted Living Conference. It was nice to see people again but to maintain our safety.

We had so many good speakers on various subjects; state fire Marshall, state DIA, a PA that talked about aging and dementia, an attorney, a life coach and much more. I am happy to have these opportunities to learn all the latest and greatest and to network with my peers.

What subjects do you like to learn about? The older I get, the more I realize I don't know. That makes learning fun! What can you share with me?

I'm happy to welcome our new nurse Shawn Pierce, RN Healthcare Coordinator. Shawn will begin her training on October 4 so she will be in and out of the building. Shawn comes with years of long-term-care experience. Welcome Shawn!

With Fall fast approaching, getting started with fall garden planting. We will start with the tulips, and continue clean-up of the patio garden. We had our first men's fishing trip. It was a huge success. Everyone caught something. Thank you to all who made that happen. We are working on next month idea for the men.

### Life Enrichment

Coordinator

**Karen Boyer**

Welcome fall! At the time of this writing, Christmas is 100 days away! Are you a shop ahead type of person or wait till the last minute? My 8-year-old stepson has already got his list started! Where oh where has the time gone? I plan on having some different fun around Halloween this year so I hope I have the staff and the residents more than willing to work together to make Arlington Place look spooky and fun at the same time. We will make sure to put out the information on Trick or Treating when we get that. We sure look forward to seeing all the different costumes this year. And remember to make sure that we are able to see the kids that are out walking and getting their treats.

### Culinary Coordinator-

**Glenda Billerbeck**

Fall is in the air, my favorite time of year. So it's time to tweek our menu a little. Some comfort foods and homemade soups. Time for the ladies to roll out some noodles for me! Along with fall comes Oktoberfest, and with my Deutch heritage I will definitely be brewing up some goodies. Football season is also here ( Go Chiefs) so some tailgate foods will be hitting the tables. We had a great week during Assisted Living Week from dressing up to serving up some great fan favorites. I love the input all the residents give me from great recipes to ideas on food combinations. And nothing is better than taking a few minutes to visit with everyone and even get a few laughs! I will be out for a week from cooking for cancer surgery, but still plan on coming in to visit.
