To share your residents "dream" call us, email us or write down and mail us what they have "always wanted to do or try". Each month we will Make a Dream come True! Then we will have pictures and a follow up story in the next month's newsletter. So share your "loved ones" dream with a Lawton Senior Living Leadership Team member today!

Lawton Senior Living News

**September** has been a challenging month. With Covid19 positives we had some time when we limited entrance to the building and had residents spending time in there apartments. During this time, Michelle, our Life Enrichment Coordinator, did do some one on ones activities to help reduce boredom and allow for some interaction with others. Reading in their rooms and going outside to catch some vitamin D were very popular. Families were still able to visit outdoors. The pictures in the other column are from residents spending some "good times": that really helped pass the time and enjoy the blessing that the autumn season is, even when we weren't in the best set of circumstances.

See the rest of this *Newsletter* to see many exciting opportunities that you and your loved ones can be involved in this fall as we continue to pro-

Exceptional Care.  
Extraordinary Living.

# UPCOMING EVENTS @ LAWTON SENIOR LIVING:

**W**e're excited to be planning some very exciting activities for the rest of the year. We will be "hosting" a couple events each month from now through the end of the year. Please make plans to attend or participate in them in anyway possible.
