Life Enrichment Note

This is a great time for families to 'thin out' your loved ones clothing and clear out items that won't be worn during the winter season. It always feels so good to have a clean closet. Also, 'spruce' up their room or cubbies with fall décor is fun too! If you or your loved one has a patio, it would be good to move the furniture in for the season. Halloween will be celebrated as we did last year by residents putting together bags of candy and staff handing it out – with a Halloween 'Drive-Thru'! If you'd like your loved one to 'dress up' – please bring in supplies for the costume so they can be a part of the "Boo-tiful" Day! Happy Fall Everyone!

Searching for Dreams!

Being a part of the Jaybird Senior Living family of communities means adhering to a very special set of values. One of these values is ensuring that our team members get to know each and every one of our residents not only in regards to health care, but also as a unique and vibrant person.

Our goal is to make at least one resident dream come true each month in every one of our assisted living and memory care communities. These dreams can range from modest to elaborate based on the unique experiences and backstories of each individual resident.

Know a resident who has a dream? Let us know by emailing or calling the Life Enrichment Department.
