Volunteers needed....

As most of you know I plan and do the activities daily here at Milestone. That can become quite a challenge when it comes to adding extras like fundraising and special events. I would like to reach out and ask for volunteers to join our team. Volunteers can add so much to enhance the lives of the people we care so much about. It could range from a one on one visit to make someone's day to helping plan an event that everyone will enjoy. It also helps to have fresh ideas, and that in turn is fun for everyone. If you are interested in volunteering please contact me, Laura Brown. lifenrichmentst@milestoneseniorliving.com.

Let's get together and most importantly...

*Let's make a
difference!*
